## BRITISH INVADE BULGARIA WITH KING FERDINAND'S MEN FLEEING ON 130-MILE FRONT

### 45,000 TURKS CAPTURED IN ALLEB'S OFFENSIVE

Turkish 4th Army in Precarious Position—British in Palestine Extend Occupation About Sea of Galilee, Taking Tiberias and Semakh—Ishtib Falls Into Allied Hands—Civilian Evacuation of Metz Arranged.

### ADVANCES MADE ABOUT ST. QUENTIN

LONDON, September 26.—The 4th Turkish army on the Palestine front is virtually surrounded in the region east of the Jordan and faces annihilation by General Allenby's forces. The total of prisoners already taken was increased today to 45,000. The annihilation of the 4th army, now hoped for, would complete the cleaning up of the Turkish forces in Palestine, accounting for about 80,000 men.

The precarious position of the 4th army may be seen from the fact that Arab cavalry and infantry are north of it, Arabs and British east and British troops to the south. These forces are pressing inward on the enemy, while the Jordan, with its crossings, is in the hands of the allies.

British troops are extending their occupation about the Sea of Galilee. They have occupied Tiberias and Semakh, on the borders of that sea, and Es-Samra, it was officially announced. Pushing on to the east of the Jordan, the British have occupied the strategic town of Amman, on the Hedjaz railway.

Since the beginning of the operations on the night of September 18, the British total casualties from all causes amount to less than one-tenth of the number of prisoners captured.

LONDON, September 26.—The important Bulgarian center of Ishtib has been captured by allied troops, say dispatches received from the Salonica front today.

The official Serbian statement says that at Troyat the Germans burned their depots, the fire spreading to one of their hospitals, where more than 100 men were burned to death.

In the Champagne, the new allied offensive, started by French and American troops, is progressing favorably, while in the near east, British forces have begun the invasion of Bulgaria.

Although dispatches from the new battle front in France do not indicate the extent of territory over which the Franco-American armies attacked early today, the line probably includes a great part of the seventy-mile front between Rheims and Verdun, with the possibility that it may reach even farther east. Advances from the French army headquarters describe the front under attack as wide.

The French, operating on the left of the Americans, attacked in a dense fog after artillery preparation that ended in an hour of unusually severe gunfire.

### FOCH'S BLOW ON QUIET FRONT.

The new allied thrust in the west comes on a front that has not been very active since the Germans failed to advance in Champagne in the defeated offensive of July 15 east and west of Rheims. French soldiers are fighting in Champagne, which runs from Rheims eastward to the Argonne, west of Verdun. The Americans are moving forward east of the Champagne simultaneously with General Pétain's men.

Great possibilities might result from a successful allied advance on the front east of Rheims, as the German communications would be severed and the formidable enemy position from Arras to Laon endangered with the important southern end outflanked.

### ADVANCE ON 130-MILE FRONT.

In Macedonia the allies are advancing all along the 130-mile V-shaped front between Monastir and Lake Doiran. The Bulgarian 1st army on the allied left has been placed in a precarious position by the cutting of the Prilep-Veles road at Izvor, while the Serbians are at Ishtib, eighteen miles east of Veles, and one of the bases of the Bulgarian 2d army. Apparently the Veles-Ishtib line, the most formidable for the enemy south of Uskub, will prove untenable.

The British troops northeast of Lake Doiran crossed the frontier into Bulgarian Macedonia, threatening the extreme enemy left flank. Enemy territory was invaded at Kosturino, a few miles south of Strumitza, the Bulgarian base in the region north of Lake Doiran. Kosturino is at the headwaters of the Trekanya river, which flows through virtually level country to Strumitza. Meanwhile the French and Greeks are pushing eastward from the Vardar river in the direction of Strumitza, which is situated in a valley between two high mountain ranges.

British Continue Pressure.

Northwest of St. Quentin British troops have continued their pressure against the German defenses and have captured enemy strongholds in the neighborhood of Seleney and Griecourt, taken Wednesday. In Flanders the British line has likewise been advanced, progress having been made in the sector north of LaBassee.

Renewed German attacks north of the Aisne have been repulsed by the French. At one point where the Germans gained a foothold on the French positions they were ejected by a counter-attack.

An energetic exploitation of the pre-

Delayed dispatches from Lorraine report a Franco-American advance to limited objectives early Tuesday, despite vigorous German artillery resistance. The progress was made east of the Moselle river, where the American line, stretching between Vandieres and Nomeny, is one to three miles from the German border.

Arrangements for the civil evacuation of Metz are reported from Amsterdam. The removal of the civilians and property is due to the long range bombardment by American guns.

Fifty-three hostile airplanes were accounted for by British aviators Tuesday, says the official announcement from London. Thirty-one were destroyed and twenty-two were driven down. Ten British machines failed to return.

### FOCH SAPPING HUN RESERVE.

Allied Success in Champagne Would Force Further Retreat.

NEW YORK, September 26.—The Franco-American attack in the Champagne is for the purpose of bending back the German front between Rheims and the Verdun sectors, and compelling Von Hindenburg to use up more of his dwindling reserves in protecting this lightly held part of his front.

### Few Troops in Line.

Since the early months of the war, the Champagne front has been defended by scarcely more troops than the line farther east in Lorraine and Alsace. Von Hindenburg's concentration of his own main power in western France heretofore had compelled the allies to meet him there. The American armies, however, now permit Marshal Foch to dictate the direction of the attack and the selection of the Champagne front for a new drive will still further prevent Von Hindenburg from controlling the pace of his retirement to Belgium.

A serious head in the German front between Rheims and Verdun would create a pocket in the Rheims area containing a dangerous threat of flanking operations against the Hindenburg line from the south. Even a small break through by the allies in that sector would be so perilous to the Germans as to compel them to evacuate the entire area. It is probable that Marshal Foch is trying to throw the Germans into this headlong retreat. It is a move successful the whole German front from Flanders to Metz will have to be straightened without delay.

### Yankess' Part Unknown.

What part the Americans are playing in the drive is not revealed. The district known as the Champagne is an old division of France, no longer geographically used. It extends eastward not quite as far as the St. Mihiel sector. The American advance in the Moselle district may be a second attempt to drive in co-operation with but not in actual contact with active American units in Champagne proper. Of the French may be alone in the Champagne, the Americans are regarded as continuation of the Champagne drive. The American state in the Champagne may have ordered the Moselle attack as a feint to conceal his more ambitious designs in Champagne.

### SUSPICIOUS OF CRISIS.

American Officials Believe Bulgaria Wishes to Retain War Gains.

WASHINGTON, September 26.—The reported ministerial crisis in Bulgaria is viewed with suspicion by officials here. If peace is really sought by the Bulgarian government, it is assumed it will be reached by the end of the month.

PURDUE ARMY MOTOR MEN GO OVER COUNTRIES AT NIGHT.

### SIGNS INSCRIBED IN FRENCH

(Special to The Indianapolis News)

LAFAYETTE, Ind., September 26.—Soldiers from Camp Purdue, making up national army vocational training detachment at Purdue university here, carried out an actual battle program last night in army motor transports, traversing Tippecanoe and Montgomery counties in a night convoy trip.

The first of the kind attempted by them. The expedition was out all night, the cars were driven without lights, and the men were engaged in exactly the same duties they would have been called on to perform in service on the front in France. Commanded by Lieutenant D. C. Hall, the trucks started out over country roads, the route as well as picking up wounded soldiers and taking them to an imaginary hospital.

Many villages and hamlets were visited and the inhabitants aroused from their sleep by the driving of the trucks. The places they visited were renamed Piana, Toulouse, Valence, St. Etienne, Pontarlier, Surinnes and other French town names. The trip covered 100 miles and the men carried food and slept in the trucks.

VON HERTLING ADMITS  
INTERNAL DISTURBANCE

WASHINGTON REGARDS SPEECH  
AS PLEA TO SOCIALISTS.

PEACE WORDS NOT SINCERE

WASHINGTON, September 25.—One element in Chancellor von Hertling's speech interested American officials. It was his admission of the seriousness of the internal situation in Germany.

Following so closely on the formal declaration by the Social Democrats of the conditions on which their party would consent to participate in the government, the speech was regarded as intended primarily for internal consumption in Germany.

An Appeal to Socialists.

It is regarded as part of a plan to persuade the Socialists to come to the aid of the government in its struggle by demonstrating that there are no substantial differences of principle between their party and the government. The marked similarity between the statements made by von Hertling regarding the basis of peace and those principles laid down by the Socialists at once was noted.

When attention was directed to von Hertling's statement that he had no responsibility for the conditions in his proposal last February to accept in principle the conditions of peace laid down by President Wilson, officials pointed out that the President himself had effectively exposed the insincerity of von Hertling's proposal when, in his Baltimore speech, he pointed to the crime against Russia as a sufficient reason for rejecting any offer to discuss peace "Brest-Litovsk fashion."

Furthermore, it was declared that there could be no talk of peace until the last German and Austrian soldier has been withdrawn or driven from the occupied territory.

Statements Are Qualified.

The declaration of the government to regard the speech, the latest movement in the German peace offensive, as sincere and worthy of consideration is based on the feeling that in scarcely a single point does the premier make an unqualified declaration of adherence to the fourteen principles laid down by President Wilson. Everywhere in his speech, officials said, there were limitations and qualifications.

Official Washington noticed the admission of the deep discontent existing among great masses of the German people. Through neutral countries have come reports of disorganization; mutiny, rioting and desperation in Germany, but it remained for the German chancellor himself to add the official confirmation, which was wanting.

MINORITY HISSES HERTLING.

German Chancellor's Speech Disappointing to Socialists.

COPENHAGEN, September 25 (by the Associated Press).—Disappointment over Chancellor von Hertling's speech is indicated by special dispatches from Berlin. The Vossische Zeitung says that the speech was received with hardly any applause from the majority of those who listened to it and with hisses from the minority and press. The reception leaves no doubt that at least a considerable part of the majority in the Reichstag regarded his continuance in office as a hindrance to the new order of things.

Both the Vossische Zeitung and the Vorwaerts emphasize the need of the government coming to an agreement with the Socialists. The Vossische declares that the chancellor's speech has widened the rift between the Socialists and the government.

Theodor Wolff in the Tageblatt says that a new era is coming and that von Hertling belongs to a generation whose knell is being rung amid the cannon's thunder.

The Roehren Zeitung, the Morgenpost, the Tages-Zeitung and the Tagische Rundschau all express disappointment with the utterances of the chancellor.

UPHOLDS FAITH IN U-BOATS.

German Naval Representative Makes Statement to Reichstag.

AMSTERDAM, September 25.—Captain Brueninghaus, speaking for the German navy department in the main committee of the Reichstag, said that U-boats were sinking more cargo space than was being built by the allies, and that the number of German submarines in service today was larger than at any period of the war.

"The navy," Captain Brueninghaus continued, "is still convinced that our U-boat warfare is the sole means for making the Anglo-Saxon race see reason."

The captain made a strong appeal to the members of the Reichstag to keep up among the German people belief in the effectiveness of the submarine.

Says Treaties Must Stand.

AMSTERDAM, September 25.—Vice-Chancellor von Fayer, speaking before the main committee of the Reichstag, defended his Stuttgart speech, in which he declared the treaties of Bucharest and Brest-Litovsk must stand. The vice-chancellor said it would be a mistake to abandon these treaties, insofar as they regulate the relations between the signatories, but he added: "If one day we are able to display so much insight, self-control and unselfishness that we can without injury to our interests permit our enemies to collaborate in questions which only affect them indirectly if at all, we can, after all, come to an understanding with these who, with us are concerned, whether we will discuss on the basis of reciprocity these questions also with our enemies."

700 LAYMEN INVITED.

Governor Sends Letters Announcing Dr. Chapman's Visit to Bible Class.

Governor Goodrich is sending letters to 700 Indianapolis laymen inviting them to hear Dr. J. Wilbur Chapman, of New York, who is to speak to the men's Bible class at Memorial Presbyterian church Sunday morning at 9:30. Governor Goodrich is teacher of the class and in his letter said: "Sunday, September 23, will be a great day for the men's Bible class of Memorial Presbyterian church. It will be a great day because Dr. J. Wilbur Chapman, one of the great men of America, will be present to address the class. Some have said that we ought to make it 'Wilbur Chapman day.' It seems to me that we ought to make it 100 per cent. day."

Dr. Chapman is to be one of the chief speakers of the Indiana Presbyterian convention, which opens Sunday. Following his address at Memorial church at 9:30, he will also attend the men's mass meeting at the First Presbyterian church at 2:30 o'clock, and will speak at the general mass meeting at Tomlinson hall Sunday night, when he will discuss world-wide evangelism, one of the subjects to come before the convention.

WRECK TIES UP TRAFFIC.

Freight Train Cars Pile Up When One Jumps Track.

(Special to The Indianapolis News)

GREENSBURG, Ind., September 25.—Traffic on the lower Louisville division of the Big Four railroad probably will be tied up until tomorrow as the result of a wreck at Horace, eight miles south of this city, early this morning. Eight cars of south-bound freight No. 75 were piled up, when a derrick car in the middle of the train jumped the track and several of the cars were damaged and the track torn up for more than a hundred yards. One section of the rail jammed through a box car. The cars were loaded with merchandise. No one was injured.

## H.P. Wasson & Company

## BISHOP'S PERSONAL WILL ADMITTED TO PROBATE

INSTRUMENT COVERS REAL PROPERTY IN BALTIMORE.

### INHERITED FROM FATHER

The personal will of the Rt. Rev. Francis S. Chatur, who died recently, disposing of an estate consisting principally of real property in Baltimore, Md., was admitted to probate by Judge Mahlon E. Bash in the probate court today. The instrument expressly provides that it shall in no wise affect the ecclesiastical will of the bishop, probated a few days ago vesting the title to church property in the Roman Catholic diocese of Indianapolis in his successor, the Rt. Rev. Joseph Chatur. Amended proceedings to administer the personal estate will be instituted in Baltimore and to this end, Thomas M. Chatur, of Washington, D. C., brother of the deceased, was named executor.

who was named as executor, renounced the appointment in Indiana, and Bishop Chatur was named as administrator by Judge Bash.

In the introduction to the will states that it applies only to property acquired by the testator as the son and heir-at-law of his father, Ferdinand E. Chatur, Sr., being a one-third interest in certain real estate in Baltimore. Out of this \$20,000 is to be paid to Bishop Chatur for the diocese of Indianapolis as soon as practicable.

An annuity of \$500 a year is provided for Juliana Marean Chatur, a sister of the bishop, who is now a sister of Charity of the community of Emmitsburg, Md. At her death the principal is to be divided equally among five nephews and nieces of the testator.

**Struck by Auto.**

George Scott, colored, 611 North Senate avenue, was injured about the back and head today when he was struck by an auto at Market street and Capitol avenue. Trafficman Carey sent him to the city hospital in a municipal ambulance.

## ADVANCE OF MEDICINE IS TOPIC OF SESSIONS

INDIANA STATE MEDICAL ASSOCIATION OPENS MEETING.

### "WAR NEUROSES" DISCUSSED

Topics in connection with the advance in the sciences of medicine and surgery resulting from war conditions were discussed at the sessions of the Indiana State Medical Association, which opened today at the Claypool hotel. One of the addresses which aroused great interest among the physicians was by Dr. Hugh T. Patrick, of Chicago, who discussed "War Neuroses."

This subject is of vital interest to the medical world, as it is one of the most serious problems in connection with the war work is the treatment and cure of soldiers suffering from shell shocks or victims of other war conditions which have brought about a paralysis of the mind. Dr. Patrick said that war neuroses, like all neuroses, are essentially curable in origin, and he told in an entertaining way how many serious cases, through treatment, are cured even in an hour. In his opinion, American soldiers in France who have been invalided because of nervous shocks, should not be sent back home to be cured, but should be kept in France for treatment.

**In Spite of Relatives.**

This should be done, he said, in spite of the feeling of relatives at home that they could care for the soldier patients in the best way. Dr. Patrick has done much psychological work at Ft. Benjamin Harrison in the examination of patients who exhibit nervous and eccentric symptoms.

Other addresses were made by Dr. H. Wheeler, of Indianapolis; Dr. C. F. Fleming, of Elkhart; Dr. Albert E. Burson, Jr., of Ft. Wayne, and Lieutenant Chas. Beall, of Camp Pike.

The meeting in the afternoon was a joint session with the Interstate Association of Anesthetists when Dr. E. McKesson, of Toledo, O., gave the chairman's address. Talks were made by Dr. H. H. Smith, of Indianapolis; Dr. Frank R. Starkey, of Detroit; Dr. Walter E. Savage, of Cincinnati; Dr. John O. Polak, of Elwood, and Dr. Charles C. Cotton, of Elwood.

**Officers Are Elected.**

At the session of the Interstate Association of Anesthetists, the following officers were elected for 1919: Chairman, Dr. John J. Buettner, of Syracuse, N. Y.; vice-chairman, W. I. Jones, of Columbus, O.; secretary, Dr. F. H. McMechan, of Avon Lake, O.; and directors, Dr. H. H. Smith, of Indianapolis; Dr. B. H. Harris, of Omaha, Neb.; Dr. Henry F. Becker, of Danville, Ill.; Dr. George B. Winter, of St. Louis; Dr. Louis A. Maxson, of Seattle, Wash.; Dr. W. F. Drumburg, of Milwaukee; Dr. B. H. Embley, of Melbourne, Australia, who is on his way to France, gave the anesthetists the results of his discoveries and practice in connection with the use of ethyl chloride, which is the anesthetic most commonly used in the battle front. This anesthetic is valued so highly because it acts in thirty seconds, and the patient becomes unconscious as soon as the mask is removed.

**Talks on Chloroform Use.**

Dr. E. Silberstein, of Cincinnati, who arrived recently from the Russian front, talked on "The Influence of Chloroform on the Stability of Red Blood Cells." One of the papers which aroused widespread interest was by Dr. W. E. Savage, of Cincinnati, who related the success which had been obtained in the treatment of tubercular patients by the administration of ether without any accompanying surgical operation.

A patriotic meeting will be held tonight, when Dr. Joseph R. Eastman, of Indianapolis, will make the president's address, and M. E. Foley, chairman of the Indiana state council of defense, will tell of Indiana's war work.

Other speakers will be Major R. C. Baltzell, W. A. Kling, Dr. W. V. Kemper, of Muncie, and E. Schortemeyer. One of the headlines of the meeting will be Dr. Franklin Martin, of Washington, D. C., head of the medical section of the council of national defense, Harry Porter will lead the singing.

### Indianapolis and Vicinity

#### Brief Notes of the Day.

Sergeant Edwin T. Flanner, of the medical corps, has arrived overseas, his brother, Frank Flanner, 1235 North Pennsylvania street, has been notified.

Word has been received by Mr. and Mrs. William F. Lichtman of the arrival overseas of their daughter, Miss Ida M. Lichtman, a Red Cross nurse.

First Lieutenant Joseph J. Daniels, field artillery, son of Edward Daniels, former master in chancery, who died recently, has arrived overseas.

Mr. and Mrs. Philip Ebaugh, 5758 Bona avenue, have received news of the safe arrival overseas of their son, Musician William Ebaugh, of the engineers.

Mr. and Mrs. John B. Sleek, 53 North Sherman drive, have received word of the safe arrival overseas of their son, Private Arthur B. Sleek, of the engineers.

News of the safe arrival overseas of Corporal Russell W. Furest, field artillery, has been received by his parents, Mr. and Mrs. J. D. Furest, 188 West Vermont street.

Mr. and Mrs. Benjamin F. Cline, 2001 Broadway, have received news of the arrival overseas of their son, Lieutenant Arthur B. Cline, of the infantry.

Mr. and Mrs. William Franzman, 53 Douglas street, have received news of the arrival overseas of their son, Private Herbert Franzman, of the infantry.

Mr. and Mrs. W. E. Ready, 2241 North New Jersey street, have received news of the arrival overseas of their son, Private John Ready, of the signal corps.

Mrs. William F. Maxsted has received word of the safe arrival of her husband overseas.

Willbur F. Ayres, 4814 East Washington street, has been advised of the arrival in France of his nephew, Major Taylor W. Foreman, of the pioneer infantry. Major Foreman won a commission as captain in the first Ft. Harrison training camp and received the commission of a major at Camp Zachary Taylor, where he was an instructor in artillery.

Marion Council No. 728, Knights and Ladies of Security, will hold a card party and dance in the P. H. C. hall, 601 North East street, this evening.

**Tires Buried in Cornfield.**

Albert Huber, 1135 Shelby street, was arrested last night by detectives Brady and Fessler on a charge of grand larceny, specifying the theft of three new automobile tires from the Premier Motor Corporation's plant, where he was employed. After confessing the theft of the tires, Huber took the detectives to his grandfather's farm, about eight miles east of Fortville, and showed them where he had buried the tires in a cornfield. Huber was permitted to go to a pet larceny charge in city court today and was fined \$100 and costs and sentenced to serve thirty days in jail. The sentence was later suspended on the recommendation of representatives of the Premier company.

**Falls From Street Car.**

Mrs. Nellie Hamilton, 531 East New York street, was taken to the city hospital last night suffering from injuries received when she fell from an East Michigan street car in front of 537 East Ohio street. Witnesses told the police she attempted to alight from the car while it was in motion. Her condition is not serious.

**First of Esarey Lectures.**

Professor Logan Esarey, of the history department of Indiana university, will give the first of his lectures on Indian history Friday afternoon at 4 o'clock at Shortridge high school. He will give an extension course on the development of the west on Friday evenings at 7:30.

**Reception to Alonzo Murphy.**

A patriotic meeting and reception to Alonzo Murphy, department commander, will be held in the G. A. R. hall, 221 East Maryland street, Sunday afternoon, beginning at 2 o'clock. A program of patriotic music and speeches will be provided. All old soldiers, whether members of the G. A. R. or not, have been invited.

**Sues Railway for \$10,000.**

Mattie Carpenter, administrator of the estate of G. Ray Carpenter, has filed suit in the superior court against the Cincinnati, Indianapolis & Western Railroad Company for \$10,000 for the death of Carpenter, alleged to have been the result of collision with freight trains at Maplewood, October 7, 1916, while he was employed by the defendant as a brakeman.

## ADMINISTRATION AND HENRY FORD ATTACKED

SENATOR TOWNSEND SAYS POLITICS IS IN SESSION.

### NEED FOR REPUBLICANS

GRAND RAPIDS, September 25.—Severe criticism of the Democratic administration and Henry Ford as a senatorial candidate, was coupled with a defense of the Republican party's war efforts by United States Senator Charles E. Townsend, in his speech as temporary chairman of the Republican state convention here today.

Senator Townsend accused the administration of inexperience, inefficiency and vacillation, and declared that although President Wilson told the congress politics was adjourned, Democratic policies were more active than when the President sent for Henry Ford—a man, he said, who opposed war and who felt soldiers were murderers—and invited him to become a candidate for the United States senate.

Criticizing the government's political policies, the senator said:

"The acts of the government in peace and war should be known to the people; it is their business and all the truth and only the truth should be given them. Today, our press is gagged and some of the most reliable news concerning the war comes to us through Canadian newspapers. The administration uses a newspaper in charge of a man who is known for his unscrupulousness, a Socialist, and it is a proved fact that gross falsehoods have been knowingly published by the government."

The Republican party should be returned to power, the senator said, not only for the successful prosecution of the war, but safely to guide the nation through industrial and international difficulties that must be met after the war.

**Time for Big Things.**

Asserting that the Democratic party had attempted to use the war for partisan political purposes, Will H. Hays, chairman of the Republican national committee, speaking before the convention, urged that the war be kept out of politics, and that partisanship be kept out of the management of the war. The two great parties, he declared, should work together to a common end—peace with victory.

The national chairman referred to the recent Republican victory in Maine, and characterized it as Maine's reply to "the Democratic attempt to use the war for political purposes." Continuing, he said: "The Democratic national committee says that the election of a Republican would mean a return to the comfort and ease of the Kaiser and his henchmen. Against this unpatriotic and shortsighted policy, I protest, not as a Republican but as an American. We seek in vain to understand the Democratic policy of those who can see 'comfort and ease' to the Kaiser in the election to the senate of Commander Truman H. Newberry as against Henry Ford—a man who is said to have spent thousands of dollars in a propaganda for peace, and at any price after the slaughter of innocent men, women and children by Hunish hordes of death."

"This is no time for little things. All the organized diabolical forces of the world are at the throat of this country. In the name of every American soldier in France, I appeal for the support of the country's cause by all men and women without thought of parties."

### FORD WRITES A LETTER.

Tells Michigan Convention He Is Not Bound by Party Consideration.

DETROIT, September 26.—Making his first purely political utterance since becoming a candidate for the United States senate, Henry Ford enlivened the proceedings of the Democratic state convention here yesterday with a letter in which he informed the party leaders that although nominally their candidate, he did not intend to be bound by any party considerations, Democratic or Republican, and that President Wilson had asked him to become a candidate.

"I hold myself free to support such measures, whatever their origin, as I deem themselves to be in the judgment for the best interests of all the people," Mr. Ford wrote. He added that he had spent a dollar to win the nomination at the August primary, and did not intend to spend a cent to win the election. Mr. Ford did not attend the convention.

The letter was an unexpected feature of the convention, called to adopt a platform for the campaign and nominate candidates for various state offices below Lieutenant Governor.

Despite Mr. Ford's statement that he had accepted the nomination without specific obligation of any kind, the convention adopted resolutions pledging complete support to his candidacy. Undivided support to the Democratic national administration and the woman's suffrage amendment which will come before the voters at the November election, also was pledged.

### NEWCASTLE WOMAN CHOSEN

Mrs. Lulu Templeton Heads Henry County W. C. T. U.—Meeting Closes.

[Special to The Indianapolis News]

NEWCASTLE, Ind., September 26.—The Henry County Woman's Christian Temperance Union met in annual convention at the Friends church here Wednesday. The devotional exercises were led by Mrs. Emma Hedges. Resolutions were adopted.

**Why Putter With Corns? Use "Gets-It"**

Common-Sense, Simple, Never Fails.

You can tear out your corns and suffer, or you can peel off your corns and smile. The joy-peeling way is the "Gets-It" way. It is the only happy, painless way in the world.

### "Get the Drop" on That Corn—Use "Gets-It" and the Corn Is a "Goner!"

Two drops of "Gets-It" on any corn or callus dries it on the spot. The corn finally loosens off from the toe, so that you can peel it off with your fingers in one piece, painlessly, like peeling a banana. Great stuff, with no danger, that's before. It's the only one corn-peeler. "Gets-It" Ties wrapped up big with tape and bandages, toes squirming from irritating salves, it's all a barbarity. Ties wounded by razors and knives, that's butchery, ridiculous, unnecessary. Use "Gets-It" the liberty way—simple, painless, always sure. Take no chances. Get "Gets-It." Don't be insulted by imitations. See that you get "Gets-It."

"Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.—Advertisement.

ports were made by the county officers and department superintendents. A special service for boys was held at the afternoon session and at night the gold medal contest was given.

The following officers were elected: President, Mrs. Lulu Templeton, Newcastle; vice-president, Mrs. Della McKiff, Knightstown; corresponding secretary, Mrs. Jesse Jeffries, Ellettsburg; recording secretary, Mrs. Lillian T. Pierce, Knightstown; treasurer, Mrs. L. L. Williams, Spiceland.

### THREE ICE PLANTS TO RUN.

Operation to Be Curtailed as Conservation Measure, Wyckoff Says.

Only three of the ice plants of the city will be permitted to operate this winter, Stanley Wyckoff, federal road administrator for Marion county, announced today.

At a meeting with the ice dealers Mr. Wyckoff perfected an agreement whereby the dealers and manufacturers will later agree on which of the plants will operate. It is believed those with the greatest capacity will be selected. The dealers will be supplied from a "pool" made up from the output of the plants in operation. The plan will save fuel, ammonia and labor. Mr. Wyckoff said.

### FEDERALIZED EXPRESS.

Corporation Applies for Permission to Do Business in Indiana.

Official notice of the federalized control of express companies in the United States has reached the office of the secretary of state. The American Railway Express Company, a Delaware corporation, applied for permission to do business in Indiana. It represents that it is "an agent of the director-general of railroads in consideration of a general express and transfer business."

## SORE, ITCHING BROKEN-OUT SKIN NEEDS POSLAM

If there are any raw, broken-out places on your skin that burn, itch and aggravate apply Poslam right on them—it can not harm—and enjoy its benefits which are yours so easily. state and interstate, on all lines of railroads under federal control.

The corporation formed controls all express companies in the United States for the federal government. It paid a fee of \$25 to the state for transportation privileges, as is required by law.

In determining the fee the state attorney-general, held that the law of 1901 which provides that the fee shall be based on the entire capital stock of an express company has virtually been held unconstitutional by the United States

supreme court. Under this law the fee would have been about \$60,000. The law of 1907 was found to apply. It provides that the fee be based on the amount of capital stock represented in the state by property or business. The company is capitalized at \$60,000.

**Will Serve Supper at Church.**

The Woman's Union of the First Congregational church will serve a supper in the church parlors Friday at 6:30.

**INDIANAPOLIS SCHOOL NOTES**

**SHORTTRIDGE.**

The first meeting of the Press Club will be held next Monday during the conference period. The year's work will be discussed and officers will be elected. It has been decided that Echo agents will be permitted to hold in addition to the regular staff members. The senior organization meeting will be held until late in November this year.

## INDIANAPOLIS HONORS BRITISH FLYER

Funeral procession through the streets of Indianapolis with the body of Captain Joseph J. Hammond, of the British Royal flying corps, who was killed in an airplane accident at the speedway Sunday. The coffin was carried on an artillery caisson and was escorted by American soldiers and members of the British Royal flying corps.

MAN DID NOT KILL SELF,  
BELIEF OF TWO DOCTORS

YOUTH HELD ON CHARGE OF  
LARCENY PENDING INQUIRY.

BOND IS PLACED AT \$10,000

(Special to The Indianapolis News)  
LAFORTE, Ind., September 26.—An announcement that they do not believe that William Jones, found dead Tuesday night under a bed at the Laporte Country Club, could have inflicted a bullet wound found in his head and which caused his death, was made here today by Dr. Leeds, the county coroner, and Dr. J. B. Leeds, another physician, who is assisting in investigating the tragedy. Both of the doctors said that the bullet, which had been fired from a revolver, entered the back part of the head and was found imbedded in the forehead. Harold (Speck) Huber, age

thirteen, a caddy at the club, which is situated at Pine Lake, three miles from this city, and who was alone with Jones for some time on the night of the death, is being held under \$10,000 bond on a charge of grand larceny, pending further inquiry into the case. The charge was filed against him last night. Previously he had been held as a material witness in the case.

The youth, the police say, has confessed to the county prosecuting attorney and the chief of police that he had stolen money from the cash drawer at the club, but denies that the amount is as large as has been alleged by Mrs. Wolf, the widow, and Earl Wolf, her son, who was professional golf instructor at the club.

The Wolf family lives at the clubhouse and Huber has been living with them. The death of the husband and father occurred while Mrs. Wolf and her son were in this city consulting with the authorities regarding alleged acts of Huber.

Nearly 500 coal men  
ATTENDING CONVENTION

MANY COUNTY FUEL ADMINISTRATORS PRESENT.

PROBLEMS ARE DISCUSSED

Nearly 500 members of the Indiana Coal Merchants Association and 100 county fuel administrators opened the second day's session of the second annual convention of the association at the Hotel Severin today.

Officers Will Be Elected.

J. D. A. Morrow, director of general distribution of the United States fuel administration, whose address dealt with problems confronting the coal men, occupied most of the afternoon.

Supply Up to Indiana.

H. A. Glover, of Vincennes, pointed out that Indiana must supply nearly all the domestic coal for consumption in the state this winter.

He said 70 per cent. of the coal is im-

ported. This year importations will not exceed 1,000,000 tons. Including anthracite, Indiana mines are now producing coal at the rate of 2,000,000 tons a year. Formerly much of this was shipped to Chicago and to Wisconsin. Since the establishment of the zone system, Wisconsin is not eligible to buy Indiana coal. Much of the coal is being shipped to Michigan, he said.

NO EXPENSE INQUIRY NOW.

Congressional Investigation Put Off Until After Elections.

WASHINGTON, September 26.—The senate elections committee today, ten to one, decided to postpone until after the November elections consideration of the resolution providing for an investigation into expenditures made in the primary campaign in Michigan in which Truman H. Newberry received the Republican nomination for senator.

Most of the members of the commit-

tee believed that to conduct inquiries into campaign expenditures now would be unfair to candidates and might unduly influence elections. There was also a question regarding the senate's authority to conduct such an investigation before a candidate's election.

ATTENDANCE NEAR NORMAL

Earlham College Enrollment Not as Small as Was Expected.

(Special to The Indianapolis News)  
RICHMOND, Ind., September 26.—D. M. Edwards, president of Earlham college here, announced today that the attendance at the college would be more nearly normal than had been expected. Arrangements have been completed for special war emergency courses. No statement has been made regarding athletics.

At noon of the second day's enrollment this week, 137 young women and forty-seven men had registered. Earlham has no student army training corps unit, as it is a Friends religious denominational school and is opposed to war.

GIVING FOUR SONS NOT ENOUGH;  
WOMAN ALSO BUYS LIBERTY BOND

Mrs. Phoebe Cox, 423 South New Jersey street, having given four sons to Uncle Sam's service, decided that she had not yet done enough for her country, so she went out and found herself an extra job—she was already putting in eight hours at work as janitor—and yesterday she paid cash for a \$100 Liberty bond.

Mrs. Cox is the mother of four sons, two of whom are in the navy, one is now in France and the fourth is on the eve of departure for service overseas. When the fourth son left in May his mother made up her mind that she would not be less patriotic than her sons, and the best way she knew of "keeping up with my boys," as she puts it, was to buy war bonds to back them up. So she began laying up such small sums as she could save against the fourth bond issue. For eight years Mrs. Cox has been a car cleaner for the Pullman Company, working eight hours in the night shift. To this she has added three mornings, working until noon.

Mrs. Cox's story became known yesterday when she appeared at the Pullman pay car, where Capt. D. R. Intosh, of Sector 42, was taking the subscriptions of the employees.

The story of the four sons in service was drawn out, and when a few minutes later, a man began to explain that "he could hardly afford bond time," he was cut short with a sudden grin by Capt. McIntosh, who said that in the face of that little woman's heroic sacrifice he'd sell 100 per cent. or know the reason why.

Assisted by J. Fieldt, agent, O. D. Mays, assistant agent, and J. L. Smith, cashier, Capt. McIntosh obtained subscriptions from every Pullman employee.

Mrs. Cox said that after giving her four sons, her insignificance was an insignificant sacrifice. Raymond, who was not yet eighteen when he enlisted in May,

was the "baby" and the hardest to give up. He was assigned to the Louisiana.

## HAYS PLEDGES PARTY TO NEXT BOND DRIVE

REPUBLICAN LEADER SAYS WAR COMES FIRST.

PATRIOTISM NOT POLITICS

NEW YORK, September 25.—Chairman Will H. Hays, of the Republican national committee, has issued a statement directed to state, district and county chairmen and all Republican workers saying that "the success of the fourth Liberty loan shall be the Republican party's supreme motif of thought and action until that objective is attained." He pledged the Republican party workers to the policy of "no geography, political or physical, in the patriotism of this country," and declared that everything else than making certain the over-subscription of the loan "is chimerical."

**Text of Statement.**  
The statement follows:  
"The mission of America is about to be accomplished."

"American soldiers in France are at this moment demonstrating to the world the reason for America and the stuff of which this republic is made."

"Their complete success and the consequent eternal establishment everywhere in the world of the rights of American rights, interests and honor and the right of men to govern themselves, are all assured with the proper performance of the plainest duty of the citizenry at home."

"The fourth Liberty loan is our next objective."

"There is no geography, political or physical, in the patriotism of this country. Democrats and Republicans alike lose their flag and are ready to die for it."

"We continually insist for all parties that the war be kept out of partisan politics and that partisanship be kept out of the war."

**Republicans Led Fight.**  
"Just as in congress the Republicans led the fight that made possible the passage of the great war measures, so now the party membership and organization has an immediate, definite war task in the accomplishment of which it can fully function. I repeat, let there be no contest in this country as to anything that touches the war, except that contest—who best can serve, who most can live."

"The success of the fourth Liberty loan shall be the Republican party's supreme motif of thought and action until that objective is attained."

"Wherever Republicans are together by two or three, they shall be a window-war meeting. Just as the Republican party's every action at all times has been and shall be determined solely by how we can contribute most to the war's success, so now our every thought and action shall be determined entirely by how we can make certain the quick over-subscription of the fourth Liberty loan."

"This is a united country's next message to Germany."

"The entire Republican organization in every voting precinct in this country shall be a fighting force in this Liberty loan drive."

"This is the Republican organization's business."

"This is the real business of every man, woman and child in America."

"Everything else is chimerical."

**Butler College Notes.**  
Registration will begin at Butler college Monday at 8 a. m., and will continue all day Monday and Tuesday.

Joseph Sullivan, who was graduated from Butler college in 1911, will have charge of boys' athletics at the school this year.

The college residence and dormitory for girls will open next Monday. Miss Evelyn Butler will be at the head of the residence again this year.

The Hens Thompson Memorial library will be open for the use of Butler college students Monday. Miss Charlotte Ferguson will be librarian this year.

Dr. Walter F. Kelly, who has been appointed surgeon in charge of the Butler A. T. C. C. camp, began making physical examinations of applicants today.

Miss Anna Frances Weaver, professor of Greek at Butler college, who also will teach several French classes this year, has been sending her summer teaching army classes in French at Ft. Belknap, Harrison.

Applications for admittance to French classes are as numerous as for admittance into English classes at Butler college. Every member of the Butler faculty capable of teaching the subject has been asked to be prepared to take a class in beginning French.

Four changes have been made in the Butler college faculty. Earl H. C. Davis is the new professor of chemistry. He received his Ph. D. from Chicago university in 1911, and during the year previous to his coming to Butler, was instructor in physical and electrical chemistry at Washington university.

Miss Winifred Silver, who is a graduate of Columbia university and other schools, will have charge of the new department of home economics.

**Bush Property to Be Sold.**  
NEW YORK, September 25.—A parcel of property on Riverside drive here, owned by Mrs. Lily Bush, widow of Adolphus Bush, St. Louis brewer, will be sold. It was announced today, under an executive order issued by President Wilson. The sale will be made, under the law which makes it illegal for an enemy alien to own property within a certain zone from the Hudson river front.

**College of Missions Convocation.**  
Convocation exercises of the College of Missions will be held Sunday afternoon at 3:30 o'clock in Graham chapel, College of Missions. Addresses will be given by the Rev. Allan B. Philpott, of the Central Christian church, and there will be special music and an announcement of the program for the year.

**Rare Bird.**  
An aeroplane goes whizzing past. And mighty bombs from it are cast. A strange bird has no drawn wings. It lays its eggs while on the fly.  
—Brooklyn Citizen.

## SOME THINGS U. S. IS DOING

LOADING WOUNDED ON HOSPITAL TRAIN.

If there is any uncertainty in the mind of any American as to where all the money goes that is being poured into the coffers of the United States treasury, he has only to see the United States official war picture, "America's Answer," at English's opera house, next week. The engagement is for five days with daily matinees.

This picture presented by the committee on public information with the idea of giving Americans the truth about the war, shows many interesting details of what America is doing, and when these details are grasped it is not hard to estimate the enormous expense the government is under in doing its part in the war.

Scenes in munitions and industrial plants, with their thousands of workers engaged on war contracts; the ship-building plants, with the finished ships sliding into the water; the aviation plants and fields with more aeroplanes finished and in action than any American ever imagined; the gun manufacturing plants and those making shells for the large and small guns; are all striking illustrations of where enormous sums of money are being expended daily.

The thousands of soldiers shown in the cantonments, and as many more in the fields of France, as well as the vast accumulation of army stores shown "somewhere in France" are other reasons for the need of more money and the pride and satisfaction in the knowledge that he has done and is doing his share in providing the money with which the government will carry out the greatest work it has ever undertaken.

## BOTH MAKE DENIAL.

Schwab and Hurley Say There is No Trouble Between Them.

PHILADELPHIA, September 25.—Charles M. Schwab, director-general of the emergency fleet corporation, in a formal statement last night denied an "utterly untrue and unfounded" report of a disagreement between himself and Edward N. Hurley, chairman of the shipping board. He said he had nothing but words of commendation for all that Mr. Hurley had done in the great shipbuilding undertaking.

WASHINGTON, September 25.—"Absolutely absurd," was the answer made by Chairman Hurley, of the shipping board, to reports that he had offered his resignation to President Wilson. "I have never even considered such a thing," he added.

**Special Classes for Artillery Service.**  
Special classes in trigonometry and in algebra for men who expect to go into the artillery or naval branches of service will begin tonight at 7 o'clock at Northridge high school, under the auspices of Indiana university extension

division. These classes, which carry regular credit as first year university courses, are intended especially for men who expect to be drafted.

**Cost Increases 67.17 Per Cent.**  
WASHINGTON, September 25.—Cost of living investigations of the bureau of statistics working in the principal cities have reported that costs in Philadelphia increased 67.17 per cent. since December, 1911. Clothing increased 102.12 per cent. in cost; furniture, 106.74 per cent.; food, 68.09 per cent.; housing, 5.83 per cent. and fuel and light, 21.6 per cent. The increase was 12.36 per cent. since December, 1912.

**Playing Fair.**  
[Louisville Courier-Journal]  
"I can see that," said the customer. "It frankly pinches me, although you maintain that it won't."

**TROCO**

**TROCO Time Is Here**

THESE bleak, chilly days bring us Troco at its best just when we need it most. When you want it spread thick on biscuits and griddle cakes. When it makes Sunday morning waffles better with its sweet, delicate flavor.

Moderate price allows you to use all you want—on the table and for cooking.

The more the better from the standpoint of health. Troco is high in calorie value—and calories give us strength and energy and help keep us warm.

**When Troco Is Best**  
**The Old Time Product Is Highest**

The banner Troco season begins at the most opportune time—just when prices of other products are soaring.

It gives the quality, the perfection of flavor and texture, that is only found in the finest table product.

All at a modest price that means a saving of from 15c to 20c on every pound you buy. Without the slightest sacrifice in satisfaction or quality.

**Fresh Shipments of Troco Always En Route**

Every few days we receive shipments of Troco—every carton fresh and sweet, straight from the churn.

When you taste it you will say Troco cannot be surpassed in true goodness by any product, regardless of its prestige. This is because the Troco Company knows how to incorporate the true flavor.

For Troco is made by a special process—churned from pure white coconut fat and pasteurized milk.

Don't judge it by other nut margarines. They are wholesome enough products, but they haven't the Troco flavor.

**Order From Your Dealer**

Order Troco from your dealer. He has it or can get it for you. Don't accept a substitute—you want Troco—for flavor and food value. A capsule of pure vegetable coloring supplied by your dealer.

## SEAPLANE AVIATOR IS VICTOR OVER U-BOAT

SUBMARINE FIGHTS BACK AND THEN DISAPPEARS.

MEMBERS OF CREW DROP

LONDON, September 26.—The first case in which it is known that a submarine fought back when attacked by a seaplane resulted in the probable destruction of the submarine by an American aviator. Reserve Ensign J. F. Carson, it was announced by the admiralty today.

With straggled from the elevated forward gun of the submarine, bursting around his seaplane. Ensign Carson maneuvered until he was able to pour machine gunfire into the crew, felling two of them and driving the others inside. The submarine submerged and as she was diving two bombs were dropped on her.

Within a few minutes the bow of the U-boat appeared on the surface, and the seaplane made a second attack, getting into position to use his machine gun or to bomb the underside boat. The German fired five shrapnel shells, one of which burst close to the seaplane, doing some damage. The other seaplane did not take part in the attack. Ensign Carson remained over the spot fifteen or twenty minutes, but the U-boat was no longer visible.

After going to the base to get another machine he returned to the spot, and this time again there was no trace of the submarine.

## Nurses Assigned and Appointments Announced

Red Cross nurses who have received assignments for active duty were announced Wednesday afternoon at the meeting of the educational committee of the Indianapolis Red Cross, as follows: Miss Pearl Crouch and Miss Ruth Worrell, Camp Mills, N. Y.; Miss Elizabeth Henderson, Langley Field, Va.; Miss Maude White and Miss Vivian Morgan, Camp Dix, N. J.; Miss Myrtle Smiley, Walter Reed hospital, Washington, D. C.; Miss Catherine Pettig, Camp Stevens, Ayre, Mass.; Miss Eva Whitman and Miss Florence Leclair, base hospital, Ft. Benjamin Harrison.

A list of nurses who have just received their appointments for Red Cross service was also announced as follows: Miss Mabel Larmore and Miss Bessie A. Speed, graduates of the Methodist hospital; Miss Laura Moody, Culver hospital, Crawfordsville; Miss Mary J. Wolfe and Miss Frances Leary, St. Vincent's; Miss Mary M. Bertrand, W. B. Fletcher sanatorium; Miss Edith M. Scott and Miss Cora B. Scott, Battie Creek sanatorium; Miss Myrtle Fisher, of the Patterson Deaconess hospital.

Mrs. George H. Dodge was appointed a member of the educational committee to have charge of enrollment for elementary hygiene and home care for the sick classes, which will start October 15.

Volunteers Wanted.  
Mrs. W. W. Thornton, chairman of the child welfare committee of Marion county, has sent out a call for volunteer helpers in the New York state headquarters of the child welfare committee. Women who will assist in writing and filing cards are needed. Mrs. Thornton said, and are asked to report at headquarters any time Friday or as soon after Friday as possible.

**Muncie Soldier Drowned in South.**  
(Special to The Indianapolis News)  
MUNCIE, Ind., September 26.—Corporal Harry Deems, son of Mrs. Rosa Dille, of Muncie, who has been at Camp Sheridan, Alabama, since July, was drowned in the Alabama river there Wednesday when a horse on which he was riding backed into the stream. The body had not been recovered Thursday. He was attached to a motor truck contingent.

## SOCIETY

Miss Eleanor Montinger has left for Kemper Hall, Kansas, Wis.  
The Priscilla Club will meet Friday afternoon with Mrs. L. A. Carson.  
Bertha Foltz has returned to Vassar college to enter her senior year.  
Mrs. Charles Banker, of Pittsburg, is spending a few days with Miss May Bailey.

Mrs. Francis O. Dorsey is home from the east and is with Mrs. Henry Talbot for a short time.

Mrs. Edward Schumann and Miss Edna Heaton have returned from their cottage on Lake Maxinkuckee.  
Mrs. John McLean Blair, of Columbus, O., will come to Indianapolis to visit her sister, Mrs. John Shropshire Smith.

Mrs. Joseph McDermott is visiting with Mr. and Mrs. E. Heywood at their cottage on Lake Maxinkuckee.  
The Twentieth Century Club was entertained with a luncheon and musical Wednesday by Mrs. W. E. Fox at her home.

The Players' Club will hold a business meeting Tuesday night with Mr. and Mrs. Herbert Foltz to make plans for the season's work.  
Mr. and Mrs. E. Mower and daughter, Miss Lucile Mower, will motor Friday to Chicago, where Miss Mower will be staying for a few days.

Miss Ruth Hodges Wilson, the daughter of Dr. and Mrs. A. L. Wilson, will leave this evening for Camp Upton, N. Y., to take up her duties as a Red Cross nurse. The camp assignment is preparatory to overseas work. Miss Wilson is a graduate of the Methodist hospital in the class of 1917.

The Rev. and Mrs. H. C. Clippinger will return to Indianapolis tonight after a visit with their sons, Foster and Gilbert Clippinger. The Rev. Mr. Clippinger was delegated from Clarke county to the united war conference, which was held Wednesday at the Claypool hotel.

Mrs. L. B. French gave a luncheon Wednesday for Mrs. R. A. Brown, who will soon join her husband, Dr. Brown, at Ft. Oglethorpe, Ga. The guests were Mrs. E. M. French, Mrs. W. E. Shugert, Mrs. Emma Karrer, Mrs. Lila Logan, Mrs. Hannah Boyer, Mrs. A. L. McCree, Mrs. Frederick Lynn, Mrs. Charles Clarke and Mrs. F. A. Hendricks.

Mrs. and Mrs. William C. Christians announce the marriage of their daughter, Grace Galbraith Purves, and Lieutenant Carroll D. Doak who has just received his commission from Southern Field, Americus, Ga., which took place Wednesday at 1 o'clock. The officiating minister, the Rev. U. S. Clutson, Lieutenant Doak is awaiting an assignment.

Mrs. F. W. Kortepeter, of Southport, has returned from Waverley, N. Y., where she attended the marriage of her son, Lieutenant Ralph E. Kortepeter, of the ordnance department and Capt. Catharine A. Byram, of the signal corps, who is an expert in telephony and expects to go to France to take command of a telephone unit. Lieutenant Kortepeter is assigned to duty in New York.

**MRS. ROBERT MILLER DEAD**  
Mother of Republican Nominee for Sheriff—Four Other Sons Survive.  
Mrs. Robert Miller died today at her home, 2000 Ruckle street, following an illness of several weeks. Funeral services will be held at the house Saturday at 1 o'clock. Burial will be at Crown Hill cemetery.  
Mrs. Miller was the widow of Robert Miller, who died sixteen years ago. She and her husband came to this city in 1886 from Putnam county. She is the mother of Robert H. Miller, Republican nominee for sheriff. There are four other sons, Captain Harry Miller, in Panama; Cal James and Albert Miller, all of this city.

**Will the Stars and Stripes Float Over the City of Metz?**

Many American editors are impressed with the significance of the statement of Marshal Foch in a cabled message to the Knights of Columbus: "It was from Metz that Lafayette went to help your ancestors, and we shall one day see your victorious banner floating in Metz." The Richmond Journal is convinced that before the present season for open warfare closes "the Stars and Stripes, will float over the city of Metz," despite the fact that it is a "long, hard road" according to Colonel Azan, the distinguished French officer.

In THE LITERARY DIGEST for this week, the leading article gives a glowing description of all the incidents relating to the first great American victory in Europe in which our army, with the gallant French, wiped out the St. Mihiel salient in twenty-seven hours and shows how this victory affects the future downfall of Metz. Accompanying this article is a splendid full-page colored map, with a complete index, of the terrain now being fought over by the American troops.

## UNITED WAR CAMPAIGN PLANS ARE COMPLETED

WORK IS SUSPENDED UNTIL AFTER LOAN DRIVE.

19 DISTRICTS IN THE STATE

Complete plans for the united war work drive in all parts of Indiana were made when the united war work campaign conference, held Wednesday at the Claypool hotel, broke up into nineteen district conferences in the afternoon. All preliminary work in the districts will be completed before the fourth Liberty loan drive ends. According to a national agreement, publicity and activity bearing directly on the pledging of money are to be suspended until the fourth war loan is sold.

The object of the drive is to raise \$75,000,000 in the country for the Y. M. C. A., Y. W. C. A., Catholic national war fund, Jewish welfare board, war camp community service, American Liberty Association and Salvation army.

**Message From Governor.**  
Governor Goodrich sent to the conference his indorsement of the campaign, which read in part:

"Indiana has been no slacker state, but has met every demand made upon her for the support of the war in a manner worthy of her heroic past. She has not only met this call for her 900,000 in support of the organizations which are doing so much for our sons

who are offering their lives in defense of the nation. This is the most critical period in the history of the war, and the more we put into this war of the material resources and spiritual forces at our command back home the easier do we make the work of the boys over there."

**Drive Starts November 11.**  
The drive for funds will take place November 11 to 15. The campaign executive committee is as follows: Governor James P. Goodrich, Charles W. Jewett, William E. O'Brien, Hugh Mack, D. A. Crittenger, Mrs. Elizabeth Claypool Earl, W. H. Hepburn, A. M. Rosenthal, Mrs. David Rose, G. A. Eftromson, Stephen A. Callahan, William J. Mooney, Mrs. E. C. Rumpel, Mrs. H. Brooke Sale, Brigadier L. M. Simonson and Adjutant Hobart Sanford.

Campaign committees of the seven organizations are as follows:  
Young Men's Christian Association—Charles W. Jewett, Indianapolis; William H. O'Brien, Lawrenceburg; C. P. Kestinger, Vincennes; Thomas Haggart, French Lick; George A. Krook.  
Young Women's Christian Association—Mrs. E. C. Rumpel, Indianapolis; Mrs. H. Brooke Sale, Ft. Wayne; Mrs. J. L. Stacy, Indianapolis; Mrs. Wilmer Christian, Indianapolis.  
National Catholic War Council—Stephen A. Callahan, Ft. Wayne; William J. Mooney, Indianapolis; Charles M. Kloss, Ft. Wayne; Madison Wales, Indianapolis; Albert J. Ventman, Evansville.  
Jewish Welfare Board—A. M. Rosenthal, Indianapolis; G. A. Eftromson, Indianapolis; Gall, who for several months has been chairman of inspection and packing in the surgical dressing department, has resigned to devote her time to other work of patriotic work, and is succeeded by Mrs. Morton L. Gould. Mrs. Gould's assistants will be Mrs. J. M. Miller and Miss Bertha Walker. Mrs. Frank Cleland has been appointed head of the checking in the receiving department. Henry Fraser has joined the ranks of business men who have volunteered their services to Red Cross work. J. Roach recently became warehouse

rector.

**Red Cross Warehouse Staff Changes.**  
Mrs. Hugh McGibeny, supervisor of women's Red Cross work in Indiana, announces a number of changes in the staff at the Red Cross warehouse in Massachusetts avenue. ## FULL DEVOTION TO U. S., KEYNOTE OF LABOR CALL

SECRETARY WILSON AND CHAS.  
FOX IN ADDRESSES.

### STATE FEDERATION ACTION

(Special to The Indianapolis News)

FT. WAYNE, Ind., September 25.—William B. Wilson, secretary of labor for the United States, and Charles Fox, president of the Indiana Federation of Labor, spoke here last night at the annual convention of the federation, which opened Wednesday. The meeting was held in the Masonic temple auditorium, which was packed with people, hundreds standing to hear the addresses.

Patriotism as a guide for the nation's workers in the world war was the keynote of the gathering, Mr. Fox sounding the call as follows:

"We must work," he said, "as wage workers living at home, surrounded with our accustomed comforts, be untrue to the soldiers who are fighting for our liberties. When our boys come home we must be able to look them in the eye and say with truth that we were off fighting for your liberties and your welfare, but you did not fight for us at home. We must be able to look them in the eye and declare with truth that we did our duty by them."

As he concluded this appeal the assembled delegates and others broke into song, with great enthusiasm.

In Hammond Next Year.

Hammond will be selected as the next meeting place for the 1914 convention of

the federation. More than six hundred delegates are in attendance, the largest gathering in the history of the organization. The following officers were elected today by the Trades Union Liberty League of Indiana:

President, William New, Indianapolis; first vice-president, Charles Ledrup, Ft. Wayne; second vice-president, Frank Wipf, Evansville; third vice-president, Richard M. Berry, Indianapolis; fourth vice-president, Fred Neimberg, Indianapolis; fifth vice-president, Charles Yochum, Vincennes, and secretary-treasurer, Frank G. Ankenbrook, Indianapolis.

One of the features of the morning session was an address by Charles B. Sullivan, president of the American Federation of Teachers, who spoke in the interest of the teachers of the public schools and of the measures advocated by that organization.

"I want you to believe that the teachers in the labor movement, affiliated with labor to secure support, yes, but primarily because they believed that the workers, workers with both hand and brain, stand shoulder to shoulder for the development of a richer, common life and a more complete democracy," he declared.

**Cause of the Conflict.**

Mr. Wilson, in his address last night, outlined the causes of the conflict against Germany, pointing out that while Americans may have some claims against Great Britain, and perhaps others against our allies, for their acts before we entered the struggle, when the war is over, their wrongs against the nation were wrongs of property, while the wrongs of Germany included hundreds of American lives and the death of millions of American lives and the death of millions of American lives and the death of millions of American lives.

**Existing Industrial System.**

Mr. Wilson referred to the Industrial Workers of the World in several terms, declaring that it was an organization serving the German cause, and its policy is one that, if put into operation, would destroy the existing industrial system under which labor is prospering as never before in the world's history.

and making firmer and firmer the liberties of the individual.

The I. W. W., he said, would, if it destroyed all business conducted for profit, thus destroying the motive for enterprise and reducing the standard of living to a dead level from which it could not rise. He also added that it would destroy the splendid power of trades unionism, which, he said, is giving the American wage worker increasing betterments of income and independence of character.

The audience wildly applauded the speaker at this point. Referring to the situation concerning conscription of labor, Mr. Wilson said that it might become necessary to conscript labor and then the government would do so, but at the same time it would conscript the factories.

**Differences of Nations.**

"We are democracy," said the secretary, "and we must consult everybody before we act. On the other hand, the German kaiser need not consult anybody. That is the difference between us. It is the German government, which makes war and forces its subjects to fight, but it is the American people that make war when defense is necessary and the government does only what we, the people, tell it to do."

From every standpoint, therefore, the hosts of labor are justified in buying the bonds. Let no man fall merely because the little he can buy will not count. Like rain drops, one would not be of much use, but when the storm lets down millions of them the parched ground is refreshed and the earth yields its abundance of blessings.

## CLASS 1 MEN MUST BE PRIVATES AT OUTSET

STEP NECESSARY BEFORE THEY  
SEEK COMMISSIONS.

### DRAWING DATE NOT YET SET

WASHINGTON, September 25.—Physically fit men between eighteen and forty-five years, who are placed in Class 1 by local draft boards, or who would be so placed except for occupational deferment, can not become candidates for commissions in the army until they have been inducted into service as privates, under rulings of the adjutant-general, made public today, superseding previous orders on the subject.

Registrants placed in the subdivision of Class 1 reserved for limited or special service, however, may be commissioned direct from civil life, and no barrier is interposed to the commissioning of men direct from civil life, provided their local boards have given them deferred classification on dependency grounds.

**To Expedite Certain Cases.**

Qualified registrants who have applied for commissions in army staff corps, and who are desired by a certain corps, may have their classification and physical examinations by local boards advanced on presentation of a certificate from a chief of corps or department of the army. In cases where it is desired to commission a Class 1 man, he may be inducted into service immediately and promoted thereafter.

To carry out the provisions of the order, Provost Marshal-General Crowder today authorized local boards to examine and classify out of their ranks such registrants as may be affected by the ruling.

Local boards are also authorized to examine and classify without regard to normal order such men as may be accepted by the navy and marine corps, in order that their immediate voluntary induction may be arranged.

Announcement of the date for the

third draft lottery, to give numbers determining in part the order of service of each of the 12,000,000 men registered for military service on September 12, will be withheld by Provost Marshal-General Crowder for another day or two, it was expected today, but delays, due to various causes, chiefly the isolation of some local boards in outlying districts, made it impossible to ascertain definitely when the last board would have its list of registrants serially numbered and posted.

Six states have not yet reported complete totals of the September 12 registration, and the provost marshal has been notified that totals returned from other states will have to be corrected because of discrepancies between telegraphic returns and later mail returns now being received.

**Learn Their Son Is Safe;  
Wait Four Years for News**

(Special to The Indianapolis News)

VINCENNES, Ind., September 25.—After waiting anxiously for four years for some information as to the safety of Henry DeHon, their son,

who went to Binche, Belgium, for a visit before the world war started, Mr. and Mrs. DeHon received a message yesterday from Belgium saying that he had been found and is well.

DeHon is a native of Belgium and returned to that country on his honeymoon. The message said that he was not in the army, as first thought. DeHon is a glassworker and prior to coming to Vincennes lived at Hartford City.

**MRS. MARY HANAN DEAD.**

(Special to The Indianapolis News)

Lagrange Woman, Had Been at Long Hospital a Month.

Mrs. Mary Hanan, age fifty-seven, wife of John W. Hanan, of Lagrange, died at the Robert W. Long hospital

here late Wednesday afternoon after an illness of more than four months. She had been in the hospital one month. The body was sent to Lagrange, where funeral services will be held.

Mrs. Hanan is survived by her husband and one son, J. Frank Hanan, junior partner in the law firm of Hanan, Johnston & Hanan. John W. Hanan was grand master of the Masonic grand lodge of Indiana in 1914. The younger Mr. Hanan is recovering from a serious illness after spending three months in the Long hospital.

here late Wednesday afternoon after an illness of more than four months. She had been in the hospital one month. The body was sent to Lagrange, where funeral services will be held.

Mrs. Hanan is survived by her husband and one son, J. Frank Hanan, junior partner in the law firm of Hanan, Johnston & Hanan. John W. Hanan was grand master of the Masonic grand lodge of Indiana in 1914. The younger Mr. Hanan is recovering from a serious illness after spending three months in the Long hospital.

# Double-Quick

## Don't Fall Behind— Keep Step!

—to buy a Liberty Bond signifies nothing.

As an investment it has no equal in the world. A 4th Liberty Loan Bond is the promise-to-pay-with-interest of the greatest government in the world. A Liberty Bond is backed by the most tremendous resources of the world. To buy one of these Bonds signifies nothing but *good* business judgment.

But to buy till it hurts, to buy all you can afford and then buy more, to buy double and buy them *quick*—signifies something. That's the very stuff from which victory comes. That's patriotism. The fellow that digs deep and hands over to Uncle Sam every dollar he can get hold of is doing his share just as are the boys who are heading towards the Rhine Valley.

*If You Work, Buy Your Bonds at Your Place of Work*

**4th Liberty Loan**  
Marion County Legion  
**Double-Quick**

### Double-Quick 4th Liberty Loan

**Buy Your Bonds the First Day  
Saturday, Sept. 28th**

Bonds may be had for \$50.00 and multiples of \$50.00.

Interest, 4 1/2%. Mature 1938.

May be had in MARION COUNTY only at officers of the MARION COUNTY LEGION, who will call on you at your business or residence address.

Government terms, 10% down, balance in four installments, ending January 30.

If you desire, your solicitor will arrange with any bank or trust company you designate for payments of \$2.00 down and \$2.00 a week on each \$50.00 bond.

It takes DOUBLE the bonds this time. Get yours QUICK—buy them the first day.

## CHAPLAINS SENT OUT FROM CAMP TAYLOR

HOOSIERS ARE INCLUDED AMONG GRADUATES.

MANY PROMOTIONS AHEAD

(Special to The Indianapolis News)  
CAMP ZACHARY TAYLOR, LOUISVILLE, September 26.—Two hundred and fifty-one chaplains were graduated this morning from the school for chaplains and approved chaplain candidates with the rank of first lieutenant. Under the new order of the war department issued at the instance of General Pershing they will not wear the silver bar on their shoulders but will wear a cross on each shoulder. The class was the fifth and completed a list of 700 chaplains who have received commissions in this school, after the five-week course.

Brigadier General Fred T. Austin, commanding general of Camp Zachary Taylor, and his staff were in attendance at the exercises today. Dr. Ernest Waring, of Cincinnati, delivered the graduation address. The exercises were held in the training school area and included singing and addresses. The new class for the sixth session will start reporting about October 4 and about 300 will be enrolled.

The school is the only one in the world and is under the direction of Major A. A. Pruden, chaplain in the United States army for twenty years. Indiana was well represented in the graduating class today. Fred Harvey, a North Baptist, from Spencer, Ind.; Archibald H. Corn, Methodist, of Indianapolis; Frederick H. Davies, Disciples of Christ, of Charlestown; Aloysius B. Duffy, Roman Catholic, Richmond, Ind.; Donald H. Ford, Disciples of Christ, Angola, Ind.; Simon J. Ryder, Roman Catholic, Michigan City, all received their commissions as first lieutenants.

**Chance for Advancement.**  
One of the most liberal orders yet issued by the war department has reached Camp Zachary Taylor. It directs the convening of a board of officers for the examination of all enlisted men who are recommended to go before it for immediate appointment as second lieutenants of infantry and cavalry. Ages are to be between eighteen and forty-six, and great care is to be exercised in the selection of men under twenty-one, that only those mature enough to assume the responsibilities of an officer be selected. Also the order instructs the commanding general to select those he would care to have serve under him.

The order is effective only in the 150th depot brigade of the camp and will give hundreds of noncommissioned officers and capable enlisted men a chance to receive commissions without attendance at a training camp. Officers are to mean that hundreds of officers are needed to train the thousands of men soon to be called under the new draft, and that this is one of the ways officers will be obtained.

**Soldiers Will Parade.**  
Three thousand five hundred soldiers, together with their field artillery batteries from this camp, will take part in a big Liberty loan parade to be held in Louisville Saturday afternoon. Brigadier General Fred T. Austin and his staff will lead the parade, which will be a mile long.

Camp officers will soon commence weeding out all general military service men at this camp, replacing them with limited service men. The future of the order means, all men now on special duty and other details about the camp will be on their way to France.

## PROMOTIONS ANNOUNCED.

### Number of Changes in 38th Division at Hattiesburg Camp.

(Special to The Indianapolis News)  
CAMP SHELBY, HATTIESBURG, Miss., September 26.—A number of promotions in the 38th (Cyclone) division were announced yesterday in Indiana and Kentucky regiments. Captains William E. Enns and Eugene H. Conroy, 15th infantry, was promoted to the rank of major; First Lieutenant Joseph Earl McCurdy, of Company B, 15th infantry, was promoted to the rank of captain; First Lieutenant Earl H. Malone, of Company F, 15th infantry, who has been at the artillery school at Ft. Sill, Okla., for some time, was also made captain. First Lieutenant George Gerald Bratt, of Company K, 15th infantry, was appointed captain; Captain Henry J. Sullivan, who has been acting divisional inspector of the Cyclone division, has been made major. Sergeant Charles Monroe McGee, of the quartermaster corps has been appointed a second lieutenant in the same organization.

Negroes to the number of 1,382 who are fit for overseas combatant duty and who have been stationed at the detention camp here for several weeks have been transferred to Camp Zachary Taylor, Camp Green, N. C., and Camp Funston, Kan.

Mrs. Clarence C. Bassett, wife of Capt. Bassett, of the 13th field artillery and young daughter, Miss Katherine Bassett, left recently for their home in Warsaw, Ind., to remain while Capt. Bassett is absent from Camp Shelby.

Mrs. J. Sullivan, who has been acting divisional inspector of the Cyclone division, has been made major. Sergeant Charles Monroe McGee, of the quartermaster corps has been appointed a second lieutenant in the same organization.

Negroes to the number of 1,382 who are fit for overseas combatant duty and who have been stationed at the detention camp here for several weeks have been transferred to Camp Zachary Taylor, Camp Green, N. C., and Camp Funston, Kan.

## SOME HOOSIERS ADVANCED.

Included in List Made Public at Camp Sheridan, Montgomery.

(Special to The Indianapolis News)  
CAMP SHERIDAN, MONTGOMERY, Ala., September 26.—Included in the list of those promoted at this camp are the following Indiana:

To Be Major—Captain Phil M. McNulty, Columbus City.  
To Be Captain—First Lieutenants Clifford R. Wright, Warren; Alfonso F. Hays, Angola; John H. Satter, Indianapolis; Ross Martin, Elkhart; Samuel E. Perrott, Indianapolis; Gordon Cummings, Indianapolis; Fred Dankert, Indianapolis.

To Be First Lieutenants—Second Lieutenants Arthur Philip Newell, Evansville; Hiram B. Turner, Randolph; Shirley Clifford Purdum, Battle Ground; James Kenneth James, Hammond; Robert S. Payton, Rockport; Ray Dyal Casey, Evansville.

Among the first lieutenants advanced to the rank of captain also were Horace D. Cushman, Danville, Ill., and William F. Campbell, Turbana, Ill.

## More Officers Report.

(Special to The Indianapolis News)  
CAMP SHERMAN, CHILlicothe, O., September 26.—Two colonels have reported to Colonel Rivers to help form the 36th division. Colonel Thomas S. Morrison, who has been with the 14th division at Camp Custer will be in command of the military police and train headquarters of the new division. The other colonel is Colonel Edward Croft, who has been in command of the 26th infantry, the highest ranking officer to report thus far. Captain C. F. Leno, of the depot brigade, has been promoted to the rank of major and will be assigned to the new division.

## SEVENTY-FIVE CHURCHES.

### Christian Union Conference Opens at Rays Crossing Wednesday.

(Special to The Indianapolis News)  
SHELBYVILLE, Ind., September 26.—The Indiana conference of the Christian Union church will convene next Wednesday at Rays Crossing, Shelby county. The sessions will continue the remainder of the week, closing with an all-day meeting on Sunday. The Rev. O. J. McMullen, of Blue River, who is in Y. M. C. A. work, stationed at the Great Lakes naval training station, near Chicago, is the moderator of the conference. Seventy-five churches in the state will be represented at the meeting.

# "Wadda Yu Mean—AFFORD?"—Every Pettis Friday Special

## Smartly Tailored Pettis Suits That are Special Values

# At \$35

Practical, yet highly individual in their styling are these Pettis suits—and ones that especially emphasize the slender lines of the new silhouette.

The sleeves are quite snug, the collars are in notch and shawl styles, some are fashioned of velvet, others of self material, and there is a finish and elegance of tailoring such as is seldom seen in suits at this price.

Tailored in all the new fall materials, soft wool velours, serges, poplins and gaberdines, in all the new, rich, colorful shades.

Before deciding on your new Fall suit, see the ones we are specializing at—\$35?

## YALE ORPHANS' COLLEGE FOR ARTILLERY TRAINING

HAS LARGEST UNIT TAKING  
NAVAL INSTRUCTIONS.

BEGINNING OF 219TH YEAR

William E. Day, president of the Yale Alumni Association of Indiana, has received announcement that today marks the beginning of the two-hundred-and-nineteenth year of the university. Yale opened with the only artillery training school and the largest naval training unit attached to any American university.

Rear-Admiral Chester is in command of the naval unit, and Major Weidner is the commandant of the artillery school.

Special instruction officers have been assigned to Yale by the army and navy departments at Washington. The university has an equipment to meet every military and naval need, being particularly proud of its new artillery armory and its naval base and fleet nearby. It is the hope of Yale to be of great service to the country, therefore making special attention to students wishing military equipment. Four-fifths of the student body has enrolled for military and naval training.

Yale is giving particular attention to the training of officer candidates, owing to the needs of the government. With the end in view of finding the most promising material, Yale is requiring that all students entering for training have at least one year in a recognized college, or that they have passed at least fourteen units of the college entrance examination board. High school certificates will not be accepted for entrance to the army or navy departments of Yale, but well qualified students may be admitted after passing successful examinations at New Haven.

Arrangements have been made whereby applications for entrance to Yale's army and navy training schools may be made through the Indiana Alumni Association. The officers of the association are William E. Day, president, 709 Fletcher Trust building; J. E. Morgan, vice-president, Lombard building; and Wendell Brooks, secretary, Brooks school.

A comrade was in the act of making a picture of him on his horse very close to the water's edge. The click of the camera frightened the horse, which jumped backward into the river, precipitating Deems into thirty feet of water. Deems was never seen after he went down. The horse swam out on the other side. Other members of the company of mechanics and a whole company of the 20th engineers joined in the search for the body, the river being unsafe for some distance above and below where the soldier was last seen. However, the searchers were not successful.

The scene of the death of the soldier is some distance from camp and, although the accident happened Tuesday afternoon, it was not reported to headquarters at once. Investigation was ordered by Colonel Charles C. Clark, the camp commander. This is the first death in the company of mechanics.

## WABASH ENROLLMENT BIG.

Majority Will Enter Army Training Corps—Barracks Nearly Ready.

(Special to The Indianapolis News) CRAWFORDSVILLE, Ind., September 26.—Enrollment of men students at Wabash college here has reached 640 and the indications are that when the institution opens Monday not fewer than 800 men will have been enrolled. Practically all of them will be in the students army training corps. Work on the two new barracks, which will accommodate 200 men each, is progressing rapidly. The trustees of the college met today to consider building a third barracks.

Lieutenant P. R. Knoll, commandant of Camp Wabash, has been in Crawfordville several days getting things in readiness for the opening of college. The two barracks and the athletic field and new gymnasium were inspected yesterday by Lieutenant Yarrow, of the regular army. He was well pleased with the conditions. The indoor gymnasium field, 100 by 100 feet, will accommodate several hundred men for drilling. Ingalls field is also large enough to permit of field maneuvers.

The students in the S. A. T. C. will take the flag oath and be sworn into the army of the United States at 11 o'clock Tuesday morning.

Notre Dame's Record.

(Special to The Indianapolis News) NOTRE DAME, Ind., September 26.—Seventy-nine out of eighty applicants examined for the student army training corps at Notre Dame university Wednesday, passed the physical examination. The one who did not pass has not failed absolutely, and may be decided fit for induction.

The old Carroll hall gymnasium, which contained the juniors basketball court, the candy store and the rifle range, is being converted into a mess hall, which will accommodate 750 soldier-students. A kitchen addition is under construction on the east side.

Ordered to Camp Sherman

LIEUTENANT R. S. PEIN.  
Lieutenant Robert S. Pein, son of Mr. and Mrs. George W. Pein, 345 Evergreen avenue, who received his commission recently, has been ordered from Camp Lee, Va., to Camp Sherman, O., where a new division is being formed for training. He is a graduate of the fourth officers' training school at Camp Sherman. Mrs. Robert S. Pein is living with the lieutenant's parents.

## FIELD MARSHAL BADGES FOR MORE THAN EIGHTY

PUPILS WILL BE PUBLICLY DECORATED BY MAYOR.

TEACHERS ARE INVITED

More than eighty boys and girls of the Indianapolis schools, public and parochial, will line up before Mayor Charles W. Jewett Saturday morning at 10 o'clock at the Circle theater to receive from the Marion county war savings committee badges denoting their rank as "field marshals" in America's thrift army or Marion county. They will be publicly decorated for their services in the successful war savings drive of the year.

The 1,500 school teachers of the city have been invited to attend the decoration ceremony, and reservations have been made in the theater for children of the thrift army.

A. M. Glosbrenner, a member of the executive committee of the Marion County Legion, will tell the children of the part they may play in the Liberty loan drive which starts Saturday. E. U.

Graff, superintendent of the Indianapolis public schools, will preside, and will make a short address.

The field marshals receive their decorations for service performed during the War Savings drive. Each one represents the boy or girl who obtained the greatest amount in pledges for War Savings stamps in one school.

Polk M. McWhirter, War Savings chairman, who perfected the Thrift army organization, has announced that it will be continued throughout the year. There are several thousand boys and girls in the school that proudly wear the regulation Thrift army buttons.

## Aiding in Clothing Drive

The American-French Orphans' Guard, under the direction in Indianapolis of Professor Claude Michelson and Mrs. Aquilla Q. Jones, is co-operating with the Red Cross in the drive for clothing for Belgian refugees in northern France. The Orphans' Guard, 11 Waverly building, will accept at its headquarters this week, clothing and shoes for which the Red Cross has sent out a call. The articles will be shipped through the transport service of the Orphans' Guard.

## The Honored Visitor.

Let lords and ladies pass me by—  
Nor grace my hospitable hall—  
But, oh, my pride begins to die  
When'er my friend comes to call.  
—Washington Star.

"THE SHOE THAT HOLDS ITS SHAPE"  
\$3.50 \$4.00 \$4.50 \$5.00 \$6.00 \$7.00 & \$8.00  
You'll never need to ask "What is the price?" when the shoe salesman is showing you W.L. Douglas shoes because the actual value is determined and the retail price fixed at the factory before W. L. Douglas name and the retail price is stamped on the bottom. The stamped price is W. L. Douglas personal guarantee that the shoes are always worth the price paid for them.  
Stamping the price on every pair of shoes as a protection against high prices and unreasonable profits is only one example of the constant endeavor of W. L. Douglas to protect his customers. W. L. Douglas name on shoes is his pledge that they are the best in materials, workmanship and style possible to produce at the price. Into every pair go the results of sixty-six years experience in making shoes, dating back to the time when W. L. Douglas was a lad of seven, pegging shoes.  
CAUTION—Before you buy be sure W. L. Douglas name and the retail price is stamped on the bottom and the inside top facing. If the stamped price has been mutilated, BEWARE OF FRAUD.  
For sale by 105 W.L. Douglas stores and over 9,000 W.L. Douglas dealers, or can be ordered direct from W. L. Douglas by mail. Send for booklet telling how to order shoes through the mail, postage free.

## Conspicuous nose pores

### How to reduce them

Complexions otherwise flawless are often ruined by conspicuous nose pores.

In such cases the small muscular fibres of the nose have become weakened and do not keep the pores closed as they should be. Instead, these pores collect dirt, clog up and become enlarged.

To reduce enlarged nose pores: wring a cloth from very hot water, lather it with Woodbury's Facial Soap, then hold it to your face. When heat has expanded the pores, rub in very gently a fresh lather of Woodbury's. Repeat this hot water and lather application several times, *stopping at once if your nose feels sensitive*. Then finish by rubbing the nose for thirty seconds with a lump of ice.

Notice the improvement the very first treatment makes—a promise of what its steady use will do.

Do not expect to change in a week, however, a condition resulting from years of neglect. But use this treatment *persistently*. It will gradually reduce the enlarged pores until they are inconspicuous.

*Start to make your skin lovelier—tonight*

Get your first cake of Woodbury's today. Begin now to overcome whatever condition is keeping your skin from being as lovely as it *should* be.

Blackheads, conspicuous nose pores, oily skin and shiny nose, blemishes, a sluggish, sallow skin—treatments for these and others of the commoner skin troubles are given in the booklet "A Skin You Love to Touch" which comes wrapped around the soap.

You will find a 25c cake sufficient for a month or six weeks of any Woodbury treatment and for general cleansing use during this time.

Get a cake today. It is on sale at all drug stores and toilet goods counters throughout the United States and Canada. The Andrew Jergens Company, Cincinnati, New York, and Perth, Ontario.

## Marine Gunner LaMond makes a test

Moving pictures taken by Marine Gunner LaMond, while the plane is doing nose dives and tail spins, give the audience the sensation of actual flying.

## O'Sullivan's Heels

"I found after entering the service that my rather strenuous work required every bit of energy I had," said Marine Gunner LaMond.

"Pounding around on hard pavements seemed to me to waste a great amount of energy. I made a test to see if soft shock-absorbing heels would not relieve the strain. A comparison between leather heels and soft heels proved my point beyond question."

**Make this test for yourself**

If these heels actually will save energy you want to know it. Have your repair man put on a pair of O'Sullivan's Heels today. Notice how much less you feel the shock when your heel strikes the hard pavement; how much more energy you have at the end of the day.

But insist on O'Sullivan's. Because of our special process this heel combines the greatest resiliency with the great durability. They are guaranteed to outlast any other heel on the market. They will last three times as long as leather heels and give uniformly satisfactory service to the very end. Avoid the disappointment of substitutes.

O'Sullivan's Heels protect you against the shocks and jars of hard pavements—they conserve your energy.

You are pounding away your energy with every step on leather heels.

O'SULLIVAN'S SAFETY CUSHION HEEL

## BANKERS ARE BUSY IN SESSION OF TWO DAYS

ADJOURNMENT ON FRIDAY BECAUSE OF THE LOAN.

### SECTION WORK COMPLETED

CHICAGO, September 25.—With the work of all the sections cleared away, the actual convention of the American Bankers' Association, the forty-fourth annual gathering, began today. By previous arrangement, unanimous consent of the convention will be given to adjournment tomorrow, instead of Saturday, as provided by the constitution, that the members may hurry to their homes to take part in the fourth Liberty loan campaign.

Oliver J. Sands, president of the

American National Bank, Richmond, Va., was elected president of the national bank section of the association.

C. B. Hazleton, vice-president of the Union Trust Company, Chicago, was chosen president of the savings bank section.

**Credit Conservation Urged.**  
Governor Harding, of the federal reserve board, in an address urged strict conservation of credit for essential war purposes. He said reports to Washington indicate that rumors still are being spread among ignorant classes that the government contemplates confiscation of bank deposits and suggested that banks inform the public that this report is absurd.

John Skelton Williams, controller of the currency, was vigorously assailed by speaker after speaker in the state bank section, who referred to a recent statement of the controller, comparing failures in state and national banks to the disappearance of the former. A resolution was adopted by the section with one dissenting vote, in which it was set forth that the statement was "regarded as unfortunate."

**John Skelton Williams Assailed.**  
Charles H. Sabin, of New York, after praising the federal reserve system, said that a vigorous campaign had been waged to further strengthen the system by getting the state banks to join. The statement by the controller was especially unfortunate for that reason, he said.

E. D. Huxford, of Cherokee, Ia., president of the state bank section, described the controller as "the advertising manager in Washington of the national banks." He suggested that the ideal banking system would be brought about by the abolition of federal charters of institutions, except federal reserve banks, and the placing of the banking

fabric of the nation in state chartered institutions which should be members of the federal reserve system and only those far accessible to federal restrictions.

**Farm Loan Discrimination.**  
Mr. Huxford also assailed the farm loan banks, averring that the tax exemption feature of their bonds is their great recommendation to investors, and denouncing this as unfair discrimination, especially in times of war and high taxes. "When federal farm loan banks are firmly established," he said, "may we not expect the move to include some provision for a federal packers' loan bank or a 'federal manufacturing loan bank' and so on until the fifty-seven varieties are fully covered by federal charters and institutions and every little business has a bank all its own favored by special tax exemptions?"

**Injunction Suit Is Dismissed.**  
An injunction suit filed in federal court recently by the Pyrene Manufacturing Company, of Delaware, against the Chesapeake & Potomac Company, of Louisiana, in which the court was asked to enjoin the defendant company from selling hand-drawn fire engines to any one other than the plaintiff, was dismissed today on motion of the attorneys for the plaintiff. It was alleged in the suit that the Pyrene company had a contract to lease all the engines manufactured by the Chesapeake company.

**Jonathan S. Hadley Dead.**  
Jonathan S. Hadley, twenty-five years an employee of the Indianapolis Street Railway Company, died at the home of his son, Enos O. Hadley, 606 Cornelia street. He survived by his widow and three children, Mrs. O. Hadley, Mrs. Marshall, and Enos O. Hadley, of Indianapolis and B. M. Hadley, of Chicago.

## 120 COLORED DRAFT MEN LEAVE FOR CAMP CUSTER

ELEVEN COUNTY BOARDS ARE REPRESENTED.

### HEARTY FAREWELL GIVEN

One hundred and twenty colored registrants of Marion county left this afternoon for Camp Custer, Michigan, where they will undergo training for the national army.

The contingent, which included men from eleven of the county's districts, had an enthusiastic farewell by hundreds of the colored citizens of Indianapolis. Hours before train time the station was crowded with the friends and relatives of the departing men, and hearty cheers were given as the train steamed out of the station.

### Articles of Incorporation.

Articles of incorporation have been filed with the secretary of state as follows: Indiana Incorporation and Package Company, Paoli; capital, \$30,000; directors, Leroy E. Enlists in Marine Corps

PRIVATE LUCY ERWIN.

Lucy Erwin, United States marine corps reserve, nineteen years old, 474 North Randolph street, is the first girl marine to be enlisted in this recruiting district of the marine corps. Miss Erwin signed up for four years' service just like a man recruit. Her first job will be that of a stenographer for the local recruiting station. Major Thomas F. Lyons, in charge of the station, enlisted Miss Erwin, and placed her in the first woman marine.

It is planned to place the men on recruiting duty with women wherever possible, so that the men may be released for active service.

Kirkpatrick, Horace Alford, James B. Kirkpatrick, Fred McCallister, American Steam Laundry Company, Washington, filed preliminary certificate of dissolution.

**American Railway Express Company.**  
A Delaware corporation, qualified to do business in this state, \$25,000 of its capital stock is represented in Indiana by its agent, the director-general of railroads in the conduct of a general express business, is located at 111 E. Calhoun, Indianapolis, is named as agent.

**American Production Company, Sullivan.**  
Capital, \$20,000, to operate oil and gas wells; directors, C. C. Russell, A. J. Porter, George Laue, S. T. Landay, George H. Prime, Flathead Electric Interests, Vernal, Idaho, has changed its name to Marion County Sick Benefit Society.

## JOHN PULLEN AND GIRL CAUGHT IN INDIANAPOLIS

Wanted for Theft of Grain Near Kokomo—Was Eluding With Cousin.

John Pullen, paroled convict, who on Tuesday afternoon stole two wagonloads of oats from his uncle, William P. Rayl, a wealthy farmer living six miles northwest of Kokomo, sold them and bought a motorcycle and early Wednesday eloped with Rayl's fifteen-year-old daughter, was arrested today by Sergeant Thomas and motor policemen Finney and Lansing as he and the girl were coming to Indianapolis on an interurban car. The police met the car at Merindale avenue and Twenty-fifth street and took the two in custody. Pullen, who was carrying a loaded revolver, is held in the city prison on a charge of being a fugitive. The girl, Cora Rayl, was sent to the detention home, pending the arrival of her father, who was paroled five months ago from the state reformatory at Jeffersonville, where he had served a term for grand larceny, to Rayl and had been employed on Rayl's farm. After making a payment on the motorcycle with the money realized from the stolen oats, he rode to the home in Galveston where

Miss Rayl was rooming while attending school, placed a ladder to her window, carried her to the ground and rode away with her on the machine.

He told the police the machine "broke down at McCordville, and they boarded the interurban. The authorities at McCordville notified the local police department.

**Flyer Killed at Pensacola.**  
PENSACOLA, Fla., September 25.—Thomas McCaskey, of Pensacola, an ensign of the navy, was killed yesterday while making an airplane flight over Pensacola bay. A companion flying with him when the machine fell, was seriously hurt.

### Do you get this way? Feel lazy, sluggish and all knocked out?

... Does your head ache? ...

Do your bowels fail to move freely? ...

Does your stomach get sour and your appetite go back on you? Then take a teaspoonful of Carlist's Liver Powder tonight and feel fine tomorrow. Your druggist can supply Carlist's Liver Powder. Refuse all substitutes. There is nothing "just as good." W. H. Brandon, druggist, Cadiz, Ky., says he sells more Carlist's Liver Powder than all medicines combined for liver trouble. "It's really good," he says, "for all diseases the human system is heir to, as it gets the stomach and bowels in order and starts the human machinery off as if it were freshly oiled. It is simply wonderful." Two-oz. bottle, 25c; family size, \$1. Manufactured solely by the American Pharmaceutical Co., Inc., Nashville, Tenn.—Advertisement.

### Beautiful Hair Tinting

Nothing so robs a woman of her good looks and attractiveness as gray, streaked or faded hair. And there is no more reason or sense in tolerating unattractive hair than there is in wearing unbecoming gowns.

The one hair stain that stands supreme is "Brownstone." It is simple and easy to use. No mixing. Just comb or brush it into your hair. It can not be detected, will not rub or wash off, acts instantly, and is absolutely harmless.

"Brownstone" will give any shade desired from light golden brown to black.

"Brownstone" is sold by leading dealers everywhere. Two sizes—35c and \$1.15. A sample and a booklet will be mailed you upon receipt of 10 cents (from manufacturer only) and your orders will be filled direct from our laboratories if you prefer. Mention shade desired when writing or purchasing.

Insist on "Brownstone" at your hair dresser's.

A Modern Shoe—An Old-Fashioned Price

If you need shoes, there is no economy in waiting until they cost more. If we won the war tomorrow, leather wouldn't be plentiful for some time.

This shoe, because it furnishes both Comfort and Style, is a Walk-Over leader. It has a heel and toe for the sidewalk—a toe and top for the office, and it contains room for one entire foot. It is a favorite with men of all ages. You see, besides Comfort and Style, it brings with it the famous Walk-Over Quality.

Look at its fine, thoroughbred lines, and then take a peep back at the price. There is economy in getting such a shoe at such a price.

## GOPHERS CANCEL INDIANA GAME—BIG TEN HOLD MEETING

## INDIANA TEAM TO KEEP WASHINGTON PARK DATE

WILL PICK OPPONENT IN PLACE OF MINNESOTA—MAY MEET PURDUE.

When informed today that the authorities at Minnesota had canceled the Indiana-Minnesota game scheduled for November 2 at Washington park, head coach Ewald O. Stehm, at Bloomington, said that the Crimson team in any event would retain the Indianapolis date. Efforts will be started at once, he said, to obtain a new opponent. This may come from another school within the western conference or from an army training detachment.

While football at all camps is in a chaotic state more or less, owing to the uncertainty of government regulations, it was thought in Indianapolis circles that recommendations would be made by the Big Ten faculty representatives at the Chicago meeting whereby there may be a general rearrangement of the schedule.

The government has expressed the wish that teams do away with games that require long trips this year and that the respective eleven arrange games as nearly as possible with opponents close to home.

In this connection agitation already has started among certain alumni and followers of the two schools to have Indiana and Purdue meet in Indianapolis. This would mean a resumption of the rivalry that was broken off two years ago, due to intense rivalry.

**Natural Rivals.**

Indiana and Purdue are recognized as natural rival schools, and it is pointed out that by bringing to Indianapolis the game that has been played alternately at Bloomington and Lafayette for several years, relations between the schools might be restored without any advantage to either institution.

Other gridiron enthusiasts hold out the possibility of an Indiana-Michigan game, since Minnesota also dropped the Wolverines from its schedule as well as the Gophers.

The Gophers canceled the Indiana and Michigan games, it was announced, because military training regulations make it impossible for the squad to leave for Indianapolis and Ann Arbor earlier than the Friday night preceding the Saturday of each game.

In the event Indiana is unable to obtain a conference game for the Indianapolis date it is expected that a combat will be arranged with an eleven from the training detachment at either Ft. Benjamin Harrison or Camp Taylor. Both camps have strong teams in the field and Indiana has arranged to meet the Ft. Harrison engineers in the annual homecoming game at Bloomington.

## AVIATORS AND RUPPS TO WIND UP SEASON AT BALL PARK NEXT SUNDAY

When the Rups, city champions, line up against the speedy aviation team at Washington park, at 3 o'clock Sunday afternoon, the fans will see in this windup of 1918 baseball, two of the best teams that can be mustered in the state. The Rups will have almost a complete semi-pro lineup, while the aviators will have a number of men who have played professional ball for several years.

Manager John Gault, of the Rups, expects to use Orme, the star of the day after tomorrow, in the first inning. Gault expects to use Orme, the star of the day after tomorrow, in the first inning.

## MAJOR LEAGUES MAY OPERATE WITH KIDS

NEW YORK, September 25.—Among baseball men here today a story circulated that major league magnates would attempt to resume next season, even though the war still is on. Their plan, according to the gossip, is to attempt to form the necessary teams of clever local lads who are below the age of eighteen years. Primarily the plan is advanced in order to maintain interest in the game, to continue the organization and to keep the business alive, and to develop future stars.

## BIG TEN PLANS UPSET BY MINNESOTA ACTION

## GOPHERS CANCEL INDIANA AND MICHIGAN GAMES—FACULTY REPRESENTATIVES MEET.

CHICAGO, September 25.—In what is said to be the most important meeting in a dozen years, college representatives of the Big Ten colleges assembled here today for the purpose of determining the exact status of football during the period of the war. The meeting was called primarily, it was announced, to discuss the relation of the sport in general to the rulings of the war department, but the faculty representatives desired to determine just what relation intercollegiate football in the Big Ten has with the program mapped out by the officials at Washington.

Plans of all the institutions in the conference were upset by the action of the University of Minnesota in giving notice that games with Indiana and Michigan would be canceled on account of military training regulations which make it impossible for the eleven to leave Minnesota earlier than the Friday night preceding the Saturday game. It was also said the game scheduled between Minnesota and the University of Chicago had been called off, but the reason for the cancellation had not been made public before the meeting of the faculty representatives.

**Quarantine Question Up.**

The question of a two-weeks' quarantine at the opening of school also was to come before the meeting, and it was said that, should this be established by the military authorities, all games scheduled for the early part of the football season would have to be canceled, which would further complicate the situation.

The abolition of the war appeared to be the question of the day. Since it was announced that the universities would be utilized by the government for training camps, the abolition of that rule has been urged. The military authorities, however, have been practically unanimous for lifting the restriction.

## BIG SQUAD OF FRESHMEN AVAILABLE FOR CRIMSON

BLOOMINGTON, Ind., September 25.—Athletics at Indiana university will receive a material boost when it becomes definitely known that freshmen will be allowed to play on the varsity. Conference teams can then use their freshmen to play on the varsity. Under the rule which prohibited freshmen to play on the varsity, conference teams were under the handicap of playing on teams which employ promising underclassmen, and which, accordingly, had the upper hand in a selection of players.

From as good looking a bunch of freshmen that has turned out on Jordan field for the last several years, numbering thirty-five every night of practice, coach Stehm expects to find a number of men of the varsity caliber and with the stuff which goes for winning games. Last evening, the varsity and the freshmen team held a non-stop scrimmage, the varsity holding the back and the freshmen acting on the defensive. Good gains were made by the varsity line, but on a number of occasions the freshmen held the backs of the varsity for down and the backfield game will be held Saturday on Jordan field.

## Billiard News

Harry Cooler proved easy picking for Percy Collins in his pool-pick 13 ball line game at the Indiana city club last night. Collins was in almost perfect form and defeated Cooler 100 to 11 in fifteen innings. The best run of the contest was a 108 by the winner, and came in the tenth inning. A run of eighty-five was his second best effort. Cooler managed to collect twenty-one in the fourteenth inning, which was high for him. The players met again tonight, Collins shooting from the positions in which the javier stopped last night. Collins will play for 60 while Cooler must collect 225 to win.

## DISCUSS SEMI-PRO BALL.

CLEVELAND, September 25.—The meeting of the executive board of the National Baseball Federation, which was scheduled to be held here yesterday, was postponed until today because of the inability of some members to arrive.

The federation met to discuss semi-professional baseball during the war and to attempt to arbitrate the dispute between the Standard Parts team of Cleveland and the Toledo Rail Lights. The meeting is the result of a suggestion by Clayton Townes, a member of the board, that an effort be made to prevent the national championship games going by default. Townes says the war athletic activities board desires some action taken to provide semi-professional ball, and that preliminary plans will be arranged at today's meeting.

## ROSE POLY IN FIELD.

TERRE HAUTE, Ind., September 25.—Thirty new men turned out on the first call for football candidates at Rose Polytechnic institute. Not one of the former Rose stars reported at the first call, but coach Rufus Gilbert expects some of last year's men to report before the close of the week. The first game of the season will be played a week from Saturday with the Eastern Illinois Normal at Charleston. Coach Gilbert expects to hustle his men from now on until the first game.

## Wednesday's Winners.

Douglas Park-Amalethe (Howard), 400-100; Buncrana (Gentry), 315-100; Gail Currel (Lumsford), 260-100; Korbly (Howard), 4-100; Viva America (Lumsford), 16-100; Jovial (Howard), 475-100; Rhymor (Simpson), 250-100.

Academy-Alibi (Lyke), 11-20; Tradition (Palmer), 13-5; Judge Wingfield (Robinson), 2-30; Ruse (Knapp), 20-1; Jovial (McCrane), 20-1; Lord Brighton (Lyke), 5-5.

Hayre de Grace-Sylvano (Kumma), 10-100; Belle Roberts (Rodriguez), 30-100; Captain Ray (Domick), 30-100; Tombo (Pickens), 170-100; Benevolent (Stalker), 15-100; Refuse (Sando), 415-100; Julia L. (Collins), 500-100.

**Matty Reaches France.**

CINCINNATI, September 25.—Friends in Cincinnati yesterday received word from Christy Mathewson, former manager of the Reds, saying that he had arrived safely in France. Mathewson is a captain in the chemical corps.

## TWO HOOSIER COLTS IN WESTERN HORSEMAN

## VERLIE PATCHEN FAVORITE TO WIN ARCH CITY STAKE, TODAY—WEDNESDAY'S RESULTS.

COLUMBUS, O., September 25.—As the feature of Thursday's race card, The Arch City 2:10 pacing stake, purse \$3,000, stands out most prominently.

This stake, won a year ago by Ben Ali, will see Tim 2:09 1/2, the local pacer, which has not been winning of late, try to get back to the top in the summaries with Verlie Patchen, the Indianapolis pacer, regarded the favorite to win, and Calgary Girl, Oro Fino and other crack horses.

The 2:13 class pace, the 2:13 class trot and the 2:18 class trot complete the card.

Split heat racing featured the program yesterday, three of the four races having more than one heat winner and the 2:11 trot required six rounds before a decision was reached. The pacing division, where they showed up fairly well, two starters, and was the only event to go in straight heats, the Indiana colt Liberty Mack beating another Hoosier, Peter Fletcher, in two heats.

Favorite Patchen yesterday took the four first choices landing at the top of the summaries.

**Trot Six Heats.**

The 2:11 trotters raced until dark, going all the way, with Golden Spler, a six-year-old, winning the first heat, and the 2:11 trot winner and former champion four-year-old filly, Joan, 2:04 1/2, winning the last three heats.

Liberty Mack was the choice for the pacing future, and in the first heat he beat the way, besting Peter Fletcher in a hard drive in 2:09 1/2, the last half in 1:04. Thomas took Peter Fletcher to the front in the second heat and led to the stretch, but in the drive through the last eighth the favorite was much the best. It was the third meeting of the pair this season, each having a victory to its credit previous to today.

The 2:04 pace, three heats, purse \$1,000: Hal Boy (McMahon) 1 1 1; Judge Ormrod (Phillips) 2 2 2; Adios Guy (Gray) 3 3 3; Jay Mack (Cox) 4 4 4.

Time—2:05 1/2, 2:05 1/2, 2:05 1/2.

The Western Horseman Futurity, for three-year-olds, pace, two in three heats, purse \$1,275.31:

Liberty Mack (Thomas) 1 1 1; Peter Fletcher (Hatch) 2 2 2; Time—2:04 1/2, 2:04 1/2, 2:04 1/2.

The 2:10 trot, three heats, purse \$1,000: Golden Spler (Stokes) 1 1 1; Lord Stout (R. Stout-Edman) 2 2 2; Jim Mack (Reed) 3 3 3; Tommy Todd (Heidrick) 4 4 4; Lester Fugate, Six Ring, Modest, Clover, Dexter, Lym and Miss Rexteta also started.

Time—2:05 1/2, 2:05 1/2, 2:05 1/2, 2:10, 2:10 1/2.

## PENNSYLVANIA PLAYERS HOLD FIRST PRACTICE

PHILADELPHIA, September 25.—Following the decision yesterday to hold football games at the university of Pennsylvania this year, under the supervision of the commandant of the students' army training corps, candidates for the team were called out today for their first practice. Two practices will be held daily until October 1, when the government takes control of the university, after which training will be under military control and confined to the late afternoon hours.

Virtually all the members of last year's varsity team have gone into military service, the new eleven will be built up from members of last season's army and freshmen teams. There are at least fourteen experienced men in sight for the eleven.

The first game will be played October 5 with Franklin and Marshall. The only other contest that appears to be sure at this time is that with Lafayette on November 2. Efforts will be made, however, to play most of the games scheduled between Pennsylvania and other colleges, but canceled when the government decided to take over educational institutions.

## LITTLE GIANTS AT WORK.

CRAWFORDSVILLE, Ind., September 25.—Thirty men were out on the field last night for the third football practice of the week for the Wabash college football squad. Coach Townsend is pushing the men hard, in preparation of the opening clash of the season here with Butler college on October 4. Of the thirty men last night, two were regulars on last year's eleven and two others were substitutes. Coach Townsend is being confronted with the task of building up practically an entirely new eleven for this year.

## PRETTY SOFT, EH!

NEW YORK, September 25.—The receipts of the Leonard-Lewis fight at Newark last Monday night amounted to \$24,000, it was announced here today. Leonard received 55 per cent. of the receipts and Lewis 25 per cent., which gave the lightweight champion \$13,000 and the welterweight title holder \$6,000 for their twenty-four-minute exhibition.

## Rutgers to Continue.

NEW BRUNSWICK, N. J., September 25.—Lieutenant James C. Torpey, commanding officer of the students' army training corps at Rutgers college, announced today that athletics would be continued at the local institution as long as they did not interfere with military work. It now is probable that the varsity football team will play out the schedule arranged last spring, which includes games with Princeton, Lafayette, Lehigh, Colgate, Pennsylvania State and West Virginia. It also is probable that games will be arranged for October 3 and October 6, the two open dates.

## SCANLON MOLDS TEAM AROUND STAR FULLBACK

## PURDUE COACH STARTS WORK WITH HUFFINE AS PIVOT—MANY CANDIDATES.

LAFAYETTE, Ind., September 25.—Having put his squad of gridiron candidates through their first scrimmage, coach Scanlon has had his first chance to size up the material he has on hand this year. The results, while not particularly encouraging, show that with the development of several men for line positions, Purdue should be represented by a well balanced eleven this year.

Scanlon has a number of men from whom he can select material for his back field.

Huffine, star fullback last year, showed in the scrimmage that he had lost none of his line plunging ability during the summer, and can be counted on to be a pivot around which the team can construct his team. Daley, star halfback of last year's freshman variety, should be able to play the latter part of the week. Cole and Hamilton have been tried out in the quarterback position, where they showed up fairly well. Streube, also of the freshman variety of last year, is out to fight for a berth as quarter on the regular team. He is handicapped somewhat by being a little underweight. Besides Daley, three other men are trying out for half back positions. They are Markley, Roth and Waters. Markley has had some varsity experience, while Roth and Waters have up to this time confined their gridiron efforts to the freshman contests. Both men, however, have ability, and it will be a case of the best man winning out.

## Some Weak Spots.

Several points in the line prove to be the weakest spots in the team just at present. Foreman and Stanwood, members of the freshman team of last year, are trying out for left end, and both are good men, being able to also up a play rapidly and also being fast on running down punts. Ben Dixon is out for the end on the regular squad.

Whipcup is being tried out at center, and Scanlon expects to find a reliable man for this position. Bartlett, a varsity man of last year, is being tried out at center, and Scanlon expects to find a reliable man for this position. Bartlett, a varsity man of last year, is being tried out at center, and Scanlon expects to find a reliable man for this position.

Walter H. and Buden are being tried out at tackle, and should be able to handle it all right. Scanlon is sure put the present team for another tackle and two guards. A number of men have been tried out in these places, but none seem able to fit the bill. Watson and Sickle are two promising guards that need development.

Purdue's first game will be played on October 5, with Franklin. The latter is said to be a very well balanced eleven, and will give the Boilermakers a tussle for a victory.

## Baseball.

The P. A. C. and Printers will clash Sunday at Grand No. 1, at 1:30.

The Indianapolis Admirals were defeated by the General Film team last Sunday in an exciting game at Fairbury. They will meet the Christiansone next Sunday in a game at Fairbury. All players are present early. Daley, Schmidt, Jones, Yount, Owens and Schenker take notice.

## Spanish "Flu" Stops Sports.

GREAT LAKES, Ill., September 25.—Because of the epidemic of Spanish influenza athletics at the Great Lakes naval training station came to a halt yesterday. Captain William A. Moffett, in command of the station, has ordered that all sports be suspended until the epidemic is under control.

## GREAT LAKES, Ill., September 25.

Because of the epidemic of Spanish influenza athletics at the Great Lakes naval training station came to a halt yesterday. Captain William A. Moffett, in command of the station, has ordered that all sports be suspended until the epidemic is under control.

## MADISON SQUARE GARDEN, N. Y. CITY.

Madison Square Garden, New York city, will be the scene of the annual horse show November 11 to 15. The entire receipts will be given the American Red Cross. Last year the Red Cross received \$50,000.

## BASEBALL NOW OFFICIAL SPORT IN FRENCH ARMY

## MINISTER OF WAR MAKES REQUEST FOR INSTRUCTORS—RULES ARE TRANSLATED.

(By the Associated Press)

PARIS, September 25.—Systematic training of men to play baseball will be organized throughout the French army by the Young Men's Christian Association following the formal request of General Cottes of the ministry of war. Eight centers already have been established to train French instructors, and these centers are expected to furnish enough teachers to cover the entire French army. Baseball instruction in the French army has been placed under P. R. Carpenter, of Worcester, Mass. The rules of the game have been translated and will be distributed among the soldiers.

"I consider this game constitutes excellent exercise, develops precision and a quickness of eye and is an attractive feature," said General Cottes in his request that the game be adopted.

**Evers Shows 'Em.**

Johnny Evers, the former National League second baseman, recently visited General Vidal's headquarters at Besancon where he demonstrated the game to the officers' school. After nine days of instruction the young cadets played a five-inning game.

"They were particularly impressed with our manner of throwing the ball for it is more efficient than the present French method of throwing the ball with one arm straight arm," said Evers today.

Evers visited Colonel Huston, former owner of the New York American League team, who said that future baseball stars would be found in all the American expatriate forces.

New York city and vicinity amateur athletes were competing for the national ten-mile and seven-mile walk in the City College stadium of that city October 25.

## TOLEDO TO PROMOTE WARTIME RING BOUTS

TOLEDO, September 25.—The city boxing commission, under Mayor Cornell Schreiber, took over the boxing game as a wartime measure yesterday. The action means that private promotion has been abolished for the period of the war and that all profits will go into a fund to aid in caring for women and children whose husbands and fathers are in the war. An official matchmaker was appointed, and it was planned to give the first show within two weeks.

## PIF, JR., TOPS WEIGHT LIST IN RUNNING OF LOUISVILLE CUP RACE

LOUISVILLE, September 25.—Robert L. Baker's six-year-old gelding, Pif, Jr., a stayer of the first quality, whose stamina has been tried and not found wanting upon more than one occasion, has been allotted the post of honor for the sixth running of the Louisville cup, of \$2,500 added, the long-distance stake race which will mark the closing of the Douglas park meeting on Saturday.

The distance of this race is two miles, and it is the first of the usual series of long-distance events run each fall over Kentucky tracks. In recent years the various racing associations of Kentucky have encouraged and fostered long-distance racing by richly endowed races of two miles and over at each of the principal tracks.

The complete list of the weights for the Louisville cup, announced by J. B. Campbell, racing secretary, follows:

Pif, Jr., 135; Rancher, 123; Moscow, 112; Tumbler, 110; Beaverkill, 107; Cheer Leader, 107; Valois, 104; Freecutter, 104; Lucky B., 102; El Rey, 100; Basilus, 98; Sous Marine, 98; Herald, 98; Night Owl, 97; Shadow Law, 97; Night Wind, 97; Gelding, 95; Mistress Polly, 95; W. P. Dabny, 97.

J. R. Capablanca will give simultaneous playing exhibitions in Philadelphia and Boston in the near future. The tests have been arranged by the Correspondence Chess League of America.

## WOMEN INVITED TO SEE SOLDIERS' BOXING SHOW

## SPEEDWAY DEPOT AND CAMP TAYLOR BOXERS TO MEET AT TOMLINSON HALL.

A committee of business men is to have charge of the proposed soldiers' boxing show at Tomlinson hall, October 10, and a special bid for this purpose of women will be made. Camp Taylor boxers, from Louisville, have agreed to meet boxers representing the aviation repair depot and the latter now are awaiting word from Paul J. Davis, athletic director at Camp Taylor, regarding the proposed date. All the gate receipts will go to the athletic funds of the soldiers.

Jack Dillon, the local light heavyweight champion, will box with the speedway outfit and will meet Packey McFarland, one of the instructors at Camp Taylor, in a six-round go. Dillon and McFarland were to have boxed at a soldiers' show in Louisville recently, but Hugh Ross was substituted for McFarland at the last minute.

**Curly vs. Metrie.**

In the semi-windup event, Don Curly, former amateur lightweight champion of Indiana, a member of the aviation bunch, will hook up with Sergeant Metrie, of Camp Taylor. They boxed at the Louisville show, and Metrie was given the decision by the judges in spite of protestations from the speedway boys.

The Tomlinson hall show will be on a splendid scale, said Lieutenant Snee, of the aviation repair depot. "The right people will be in charge of the show," he said. "The gate receipts will be used for the benefit of the soldiers, and an attractive program is sure to result."

J. R. Capablanca will give simultaneous playing exhibitions in Philadelphia and Boston in the near future. The tests have been arranged by the Correspondence Chess League of America.

## Saved 5 Minutes, But Lost 50!

—When you're 5 or 10 miles from help, with a dead battery on your hands—

—When you are pressed for time—and then are compelled to wait—wait—wait—

—Then you wish you'd have taken 5 minutes and prevented the trouble instead of having to lose 50 minutes in order to cure it.

Our battery experts will test or fill your battery, whatever its make, free. The test takes about 5 minutes. It will protect you. Repairing or recharging done only on your order and at a specified price. Drive in today.

## FIVE NEW CANDIDATES JOIN SQUAD AT BUTLER

PROSPECTS FOR FAST WARTIME  
ELEVEN CONTINUE BRIGHT—  
COACH BUSS A VISITOR.

Prospects for a successful wartime eleven continued to look good at Butler yesterday. Five new men were out and all showed up good. Driving and charging continued and there was a little tacking toward the close of the afternoon. Coach Mullane gave out some more signals last night and intends to hold signal sessions all next week. Scrimmage will start soon.

The appearance of Von Wates and Thomas Fields was boost for the squad. Both are from Wilkinson, where they played on the fast Wilkinson high school team. Fields was tried at full-back and showed up well. Despite his weight and size he is a very speedy man on his feet. Wates was used in the back field and created good impression with his obviously experienced handling of the ball. Travis and Roy McDaniels, brothers from Wilkinson, who will be candidates for the left guard and right tackle positions, were expected to arrive today.

**Other Prospects.**

Fitzpatrick, who was at Butler last year, was out in a suit yesterday for the first time. He is trying for a line position. Wyatt Strickler, of Middletown, is a speedy young chap who reported yesterday and who intends to do his best to make a line position.

Although school does not open until next Monday, and scrimmages do not begin until next Wednesday, the Blue and White squad is steadily increasing.

Coach Buss of DePauw, was a visitor at the Butler camp yesterday. He will have a chance to see the squad in action at Greencastle on October 18. Chalmers McGaughery has been appointed manager of the Butler squad for this season.

## CASUALTIES ARE 388; 16 HOOSIERS ARE LISTED

Continued from Page Twelve.

Wounded Severely.

Lieutenant Richard W. Cantwell, Wilmington, N. C.  
Sergeant George F. Bingsheimer, Philadelphia.

Wounded in Action, Previously Reported Missing in Action.

Private Herman Anderson, Chicago.

Gets Prisoner: Later Wounded.

[Special to The Indianapolis News]

COLUMBIA CITY, Ind., September 25.—Albert Stoniker, who lived eight miles north of this city, is the first Whitley county soldier to take a German prisoner, as far as known. In a letter written to his mother, dated Aug.

25, he wrote that he had gone over the top. The ground was tearing up all around us," he said, "but we moved just the same."

In the same letter Stoniker said he helped capture a Hun who was badly wounded, and sent to the hospital. A second letter from the young man, dated August 31, said he was wounded in the right hand by a machine gun bullet. The letter was accompanied by a letter from his head cross nurse, a Mrs. Homer M. Folke, Stoniker's a corporal.

Killed in July.

News of the death of Private Charles W. Caplinger, R. F. D. No. 2, Camby, whose name appears in the casualty list today, was published here September 15, after word was received by his relatives. Private Caplinger was killed on the French front in July.

Casualty News From Indiana.

EVANSVILLE—Alfred Horn, of Lunc town, who was killed in action in France, was killed in action in France on July 15. He was a member of a grocery firm in this city before entering service. The young man had been in France since May.

TIPTON—One of the largest attended funerals ever held in Tipton was that of Wal-

ter Jarrett, age twenty-three, son of Mr. and Mrs. Jarrett, of this city. The service was held at the Methodist church Wednesday afternoon, with the Rev. Benjamin Kendall in charge. The young man enlisted in the army in May, and had been at Camp Devens, Mass., for the last six or eight weeks, assigned to the 328th infantry supply company. While getting a tank of water for soldiers on a hike, last Friday, the horse attached to the wagon was frightened and Jarrett was thrown into a lake, where he drowned.

RUSHVILLE—Private Murray A. Dawson, of Company K, 35th regiment, who died of wounds suffered in action in France, on July 15, is the sixth Rush county soldier to lose his life in the war with Germany. Richard Dawson, a brother, has received an official message on the death from the war department. Private Dawson, who was only seventeen years old when the war came, enlisted two years ago this month, and saw active service on the Mexican border before going to France. The message concerning his death was delayed for several weeks because Private Dawson was supposed to live in Glenwood, Ky. His parents are dead.

SHELBYVILLE—Mr. and Mrs. Philo Wertz, living in the southern part of Shelby county, have received a message from the war department notifying them that their son, Ralph Wertz, age twenty-two, was killed in action in France on July 15. He was a member of a grocery firm in this city before entering service. The young man had been in France since May.

TIPTON—One of the largest attended funerals ever held in Tipton was that of Wal-

ter Jarrett, age twenty-three, son of Mr. and Mrs. Jarrett, of this city. The service was held at the Methodist church Wednesday afternoon, with the Rev. Benjamin Kendall in charge. Private Dawson, who was only seventeen years old when the war came, enlisted two years ago this month, and saw active service on the Mexican border before going to France. The message concerning his death was delayed for several weeks because Private Dawson was supposed to live in Glenwood, Ky. His parents are dead.

SHELBYVILLE—Mr. and Mrs. Philo Wertz, living in the southern part of Shelby county, have received a message from the war department notifying them that their son, Ralph Wertz, age twenty-two, was killed in action in France on July 15. He was a member of a grocery firm in this city before entering service. The young man had been in France since May.

TIPTON—One of the largest attended funerals ever held in Tipton was that of Wal-

ter Jarrett, age twenty-three, son of Mr. and Mrs. Jarrett, of this city. The service was held at the Methodist church Wednesday afternoon, with the Rev. Benjamin Kendall in charge. The young man enlisted in the army in May, and had been at Camp Devens, Mass., for the last six or eight weeks, assigned to the 328th infantry supply company. While getting a tank of water for soldiers on a hike, last Friday, the horse attached to the wagon was frightened and Jarrett was thrown into a lake, where he drowned.

RUSHVILLE—Private Murray A. Dawson, of Company K, 35th regiment, who died of wounds suffered in action in France, on July 15, is the sixth Rush county soldier to lose his life in

A Style Hint from the Army

To those who suffer the effects of narrow, pointed shoes—the corns, the callouses, bunions, ingrown nails, fallen arches—we recommend the "style" of the army.

We are ready to fit you in this style—comfortable Educator shoes that give room for your feet to straighten out, for the toes to "breathe"—shoes that let the feet grow as they should.

We have Educators in all sizes, for MEN, WOMEN & CHILDREN. Get the whole family into them and leave foot-ills behind.

Remember—there is no protection stronger than the famous EDUCATOR trademark. It means that behind every part of the shoe stands a responsible manufacturer—Rice & Hutchins, Inc., Boston, Mass.

State Factory Inspector

GEORGE W. GREENLEAF.

Governor Goodrich announced today the appointment of George W. Greenleaf, of Terre Haute, as state factory inspector. Mr. Greenleaf is a member of the Terre Haute board of school commissioners. He was an instructor in Rose Polytechnic institute for twenty years and is a member of a mechanical union.

Mr. Greenleaf is now at Ft. Wayne as a delegate from his union to the annual state meeting of the State Federation of Labor. The state office was vacated recently by the resignation of John J. Walsh, who is now in federal employ. Mr. Greenleaf is a Republican.

COLVER DEFENDS REPORT.

Testimony Cites Connection of Packers With Financial Institutions.

WASHINGTON, September 25.—William E. Colver, chairman of the federal trade commission, testified today before the senate agriculture committee in support of the commission's recent report charging monopoly and profiteering in the packing industry, and in reply to the protest to the President by the Chamber of Commerce of the United States that the commission exceeded its authority in conducting the packers' investigation, and in other activities.

Mr. Colver's testimony was largely in support of the commission's allegations that the packers were interlocked with financial institutions and he gave names of numerous directors and former officers of the Chamber of Commerce, who, he said, are officers in banks which have made large loans to the packers.

Most of the loans have been negotiated since June 30, 1917, Mr. Colver told the committee. Some of them were secured, and others were secured by Liberty bonds.

Loans by Morgan banks to the packers

not totaled by Mr. Colver, but figures he read from nearly a dozen New York banks connected with Morgan & Co., amounted to approximately \$10,000,000.

Prefacing his remarks, Mr. Colver said the commission's investigation of the packers had been made at the suggestion of President Wilson in a letter to the chairman dated February 7, 1917, and later the report on profiteering was delivered in response to a senate resolution.

"Overwhelming evidence in our hands established a justification for our position," he said. "In making the investigation we were obeying the will of the President and congress, which was not to build up a case, but to establish facts."

## LINEN IS NEEDED FOR HOSPITALS IN FRANCE

COMMITTEE NAMED TO GATHER ARTICLES.

CAMPAIGN BEGINS SEPT. 30

The "Linen for France" committee to have charge of a linen shower to provide articles for hospitals of France was announced today by the Indianapolis chapter of the American Red Cross. The committee will conduct a campaign the week of September 30 to obtain linen bath towels, handkerchiefs, napkins, hand towels and sheets to be sent abroad. The first meeting will be held at the Y. W. C. A. building tomorrow afternoon.

Mrs. Eugene H. Dietrich has been appointed chairman of the committee and other members are Mrs. M. A. Potter, Mrs. Wilbur Johnson, Mrs. James A. Allison, Mrs. Walter Moorman, Mrs. Edward Dean, Mrs. W. H. Coleman, Mrs. Thomas R. Kuckley, Mrs. N. A. Gladstone, Mrs. E. F. Hodges, Mrs. John J. Madden, Mrs. J. R. Cavanaugh, Mrs. James H. Taylor, Mrs. Harry Miess, Mrs. Benjamin Walcott, Mrs. Henry P. Campbell, Mrs. Russell Sullivan, Mrs. John H. Holliday, Miss Julia Sharpe, Mrs. Quincy, Mrs. Samuel S. Rauh, Mrs. Thomas Carr Howe, Mrs. Thomas A. Wynne and Mrs. Samuel E. Perkins.

The campaign will be nation-wide. Red Cross officials in the charge of hospitals in France have advised the American Red Cross that 1,500,000 bath towels, 1,500,000 hand towels, 1,500,000 handkerchiefs, 125,000 napkins and 600,000 sheets are needed. It is hoped that each contributor, by giving up one or more articles of linen from the reserve stock, may supply the needs of hospitals abroad. Arrangements have been made to use the Propylaeum as a central receiving station where linen will be packed for shipment overseas.

State Factory Inspector

GEORGE W. GREENLEAF.

Governor Goodrich announced today the appointment of George W. Greenleaf, of Terre Haute, as state factory inspector. Mr. Greenleaf is a member of the Terre Haute board of school commissioners. He was an instructor in Rose Polytechnic institute for twenty years and is a member of a mechanical union.

Mr. Greenleaf is now at Ft. Wayne as a delegate from his union to the annual state meeting of the State Federation of Labor. The state office was vacated recently by the resignation of John J. Walsh, who is now in federal employ. Mr. Greenleaf is a Republican.

COLVER DEFENDS REPORT.

Testimony Cites Connection of Packers With Financial Institutions.

WASHINGTON, September 25.—William E. Colver, chairman of the federal trade commission, testified today before the senate agriculture committee in support of the commission's recent report charging monopoly and profiteering in the packing industry, and in reply to the protest to the President by the Chamber of Commerce of the United States that the commission exceeded its authority in conducting the packers' investigation, and in other activities.

Mr. Colver's testimony was largely in support of the commission's allegations that the packers were interlocked with financial institutions and he gave names of numerous directors and former officers of the Chamber of Commerce, who, he said, are officers in banks which have made large loans to the packers.

Most of the loans have been negotiated since June 30, 1917, Mr. Colver told the committee. Some of them were secured, and others were secured by Liberty bonds.

Loans by Morgan banks to the packers

not totaled by Mr. Colver, but figures he read from nearly a dozen New York banks connected with Morgan & Co., amounted to approximately \$10,000,000.

Prefacing his remarks, Mr. Colver said the commission's investigation of the packers had been made at the suggestion of President Wilson in a letter to the chairman dated February 7, 1917, and later the report on profiteering was delivered in response to a senate resolution.

"Overwhelming evidence in our hands established a justification for our position," he said. "In making the investigation we were obeying the will of the President and congress, which was not to build up a case, but to establish facts."

Let's save this 15%

THE Government is asking the help of employers and workmen to do away with the unnecessary "turn-over" of labor in essential war industries. If this can be done it will add 15% to the productiveness of industry.

The U. S. Employment Service has been organized as a part of the Department of Labor to help employers find the right men, and to help men find the right jobs in all war work. This Service has 500 branch offices covering the United States, and 20,000 U. S. Public Reserve Enrollment Agents.

It has definite knowledge of manufacturing and labor conditions all over the country. Employers are asked to use this service when they need men, and workers are asked to consult it when they need employment, or if they feel a change in employment is necessary.

Thus workers are assured of being sent to the right jobs at the right time. Employers get help in hiring men as they need them.

## PRESIDENT'S STATEMENT

"Industry plays as essential and honorable a role in this great struggle as do our military armaments. We all recognize the truth of this, but we must also see its necessary implications—namely, that industry, doing a vital task for the nation, must receive the support and assistance of the nation."

"Therefore, I solemnly urge all employers engaged in war work to refrain after August 1st, 1918, from recruiting unskilled labor in any manner except through this central agency, [U. S. Employment Service.] I urge labor to respond as loyally as heretofore to any calls issued by this agency for voluntary enlistment in essential industry. And I ask them both alike to remember that no sacrifice will have been in vain, if we are able to prove beyond all question that the highest and best form of efficiency is the spontaneous co-operation of a free people."

WOODROW WILSON.

# LIBERTY LOAN QUOTA OF INDIANA, \$127,215,000

## INCLUDES SUMS FOR ALL OF THE NINETEEN-TWO UNITS.

### EIGHTH DISTRICT FIGURES

(Special to The Indianapolis News)  
 "VANSVILLE, Ind., September 25.—Indiana is asked by the United States

government to subscribe a total of \$127,215,000 to the fourth Liberty loan. Official quotas were received here today for the twenty-four southern Indiana counties attached to the Eighth federal reserve district which has its headquarters at St. Louis. This city will be the headquarters for these Hoosier units in the coming campaign. The quotas for the sixty-eight Indiana counties in the Seventh federal reserve district, which has its headquarters at Chicago, were announced there last night. The allotments for the southern Indiana counties follow:

Clark, \$60,000; Crawford, \$20,000; Daviess, \$40,000; Dubois, \$30,000; Floyd, \$20,000; Gibson, \$20,000; Greene, \$20,000; Harrison, \$20,000; Jackson, \$20,000; Jefferson, \$20,000; Knox, \$15,000; Lawrence, \$20,000; Martin, \$15,000; Morgan, \$20,000; Perry, \$20,000; Pike, \$20,000; Posey, \$20,000; Scott, \$20,000; Spencer, \$20,000; Sullivan, \$20,000; Switzerland, \$20,000; Vanderburgh, \$20,000; Warrick, \$20,000; Washington, \$20,000.

**2,000 Persons See Exhibition.**  
 (Special to The Indianapolis News)  
 FRANKLIN, Ind., September 25.—Eight thousand persons greeted the Liberty loan aviators when they arrived here shortly before 11 o'clock Wednesday morning. The schools of the city and county were dismissed, and business suspended until the visitors left the city.

**Liberty Loan in Indiana.**  
 SETON—The preliminary Liberty loan campaign in Jackson county in the Eighth federal reserve district, is going forward rapidly. The local banks are receiving many applications.

**WINSTON—A committee in charge of** the Three Hundred Club, men who voluntarily subscribe for more than \$300 worth of Liberty bonds, has obtained 150 signatures. The total subscription is more than \$50,000.

**REDFORD—Meetings held in Lawrence** county by fourth Liberty loan workers have proved a success, and it is predicted that the county will fill its quota early. An official notice received Wednesday placed the county's fourth loan quota at \$400,000.

**LOGANSPOUR—W. H. Porter, Liberty loan** chairman for Cass county, at a meeting Wednesday night said he felt certain the county's quota of \$1,000,000 for the county would be subscribed by Saturday. Speakers urged the audience to put over the quota in quick order.

Special for Friday—an offering of 300

# TRIMMED HATS

Special at— \$7.50

Irregular brim hats are particularly prominent in this occasion. "The vogue for black" is so happily met in the group—stunning black hats are plentifully represented

This offering is right in line with the policy of "Friday, Our Bargain Day."

There are ROLLED SIDE EFFECTS, mushrooms, tams, short-back pokes, large floppy brims, upturned backs, etc. Collapsible, draped or shirred crowns. Colors are:

—Black —Black-with-henna —Turquoise —Sand —Rose, etc.

Trimmed with ostrich wings, clusters of bright colored flowers, fancies and bandings.

The hats with irregular lines, slashed brims and brims with sharp, decided turns —are plentiful in this group.

Special featured at—\$7.50. —Fourth Floor.

# Friday, women can buy Amifrench NIGHTGOWNS

At— \$1.50 Instead of \$1.98

We've just brought the goods down from the receiving rooms instead of marking them at their rightful price, \$1.98—we will give our patrons the opportunity to buy what they need Friday at \$1.50. The higher price will be in force afterward.

Amifrench nightgowns are of soft materials, well made, the scalloping and the machine embroidery will withstand repeated launderings. The garments, in addition to being practical, are very dainty. Women who see them will buy a supply at . . . . . \$1.50

AMIFRENCH ENVELOPE CHEMISE, many different styles . . . . . \$1.25

—Fourth Floor.

# Sale—women's and misses' FINE DRESSES

Are being cleared at \$19.75 and \$24.75 \$25 to \$50 qualities

Dresses of serges, tricotines and gaberdines, also of taffetas, crepe de chine, Georgette crepes, etc.

From light, filmy frocks to the heavier sorts—from a frock dressy enough for a formal occasion to dresses of the strictly tailored sort. There are all the street colors, all the afternoon shades—\$24.75 and \$19.75. —Second Floor.

We announce an absolute clearance of

# Our finer BLOUSES of French voile and batiste

Up to \$16.75 \$5.75 for women and misses qualities—

These have become reduced to one or two of a kind and because of this we do not consider it good business to retain them in our stocks. The materials are finest quality French voile and batiste. Some are trimmed with wide edges of filet lace or exquisite touches of Venice and Val. laces. There are a number of fine handkerchief linen blouses with novelty pleated bosoms—strikingly mannish styles. While 30 last . . . . . \$5.75

# Also up to \$8.75 BLOUSES, \$3.95

For women and misses These include filet trimmed voiles, tailleux blouses and fine tucked blouses, sizes 34 to 46. Only 100 in this group, in a final clearance at . . . . . \$3.95 —Second Floor.

## New Winter COATS

(One of Them Pictured)

Special at \$22.50

The war time note of economy has been sounded in this assemblage of good looking and practical coats, priced at \$22.50.

The materials include wool velour, chevrot, trectot velour and novelty cloths, in such popular colors as plum, brown, green, navy, black and various plaids.

The model pictured is fashioned in straight line effect. The large pockets, cuffs of self material and the pleated belt which divides and interlaps in front, are all trimmed with smoked pearl buttons. Another clever feature is the immense collar, of plush, the color of nutria; when buttoned high it fits the throat snugly to keep out winter's cold. Sizes 16 to 44. On sale-Friday, \$22.50. —Basement.

For Chilly Days  
Oil Heaters

\$5.65, \$6.70 and \$8.50

Save on coal bills and the trouble of building a furnace fire by the use of one of these heaters.

They are smokeless, odorless and easy to operate, heat quickly and can be conveniently carried to any room. —Basement.

## The Gray Shop

Heatherbloom Petticoats \$1.75  
for Stout Figures,They Have the Appearance of Silk  
and Give More Service

These washable petticoats are splendid for utility wear and come in such lovely colors as emerald, purple, gold and navy and black figured patterns. Designed especially for women of more than average figure, they are cut generously full yet so shapely that they retain the slender lines desired. Their deep flouncings with rows of overlay pleating unite in making them an attractive undergarment. Sizes 38 to 45 waist measure. —Sixth floor.

## Middy Blouses in Favor

The ever popular middy so useful for business, sport or school wear may be found here in all its phases, including such well-known makes as Jack Tar or Bob Evans. They come in such becoming colors as khaki, scarlet, rose, Copenhagen, white and white and blue. Priced, \$2.50.

## Flannel Middies

Offer a wide selection in navy, red and khaki. They have white trimmings of braid and regulation emblems. Priced from \$3.95 to \$8.50. They make quite a stunning costume when worn with white skirt. —Third floor.

## ABE MARTIN.

Who remembers when a girl had to be fat to 'ketch a beau'? It's bad enough not to be in the army 't say nothin' o' bein' a tightwad.

## Little Stories of Daily Life

## Job for Santa Claus.

In Evansville there are still a few cavaliers too old to be taken by the draft. The other evening one called on a woman who, it might be added in an undertone, also was beyond the draft age.

During the evening her small niece dragged in a dilapidated doll. "I'm going to have Santa Claus bring her a new dress for Christmas so she'll look better," she informed auntie and the cavalier.

The cavalier tried to be facetious. "You'd better have him bring her a new face," he suggested. The women laughed and then tried a fling at wit herself. "I wish he'd bring me a new face too," she giggled. Before her visitor could make a rejoinder the was niece took up the conversation. "Then you wouldn't have to paint your old one over any more, auntie," she calmly finished.

## Patriotism.

The most patriotic little boy in Indiana lives in Parke county, and his first name is John. Now, John's hair has always been bobbed by his mother for the reason that she liked it bobbed instead of, as John termed it, "cut by a barber like a real boy's." But the other day John was six years old, and as a special favor received 30 cents and started to the barber shop for a "real hair cut."

Proudly he started on his errand. In fifteen minutes he was back home, his shoulders and head still held high, but his little eyes showed the nearness of tears. "You'll have to cut my hair again, mamma," he said bravely. "The old soldier at the corner was selling Thrift stamps, and I spent my money to buy one and kill a German today."

**Buy Bonds**

It is the duty of every American citizen to buy Liberty bonds. A duty to himself and to his country.

Then if you have money left for purchases in my line, you will find my diamonds as good as a bond.

## WILL NOT SEEK SOIL.

Speaker Predicts Soldiers After War  
Will Desire Other Occupation.

ATLANTIC CITY, September 26.—Speakers before the convention of the American Hospital Association in session here, declared that soldiers returning from the battle fronts at the end of the war would not be so favorable to "back to the soil" movements, as is generally believed, despite their months in the open. The mind training, along with vigorous bodies, they said, would create a desire to enter the commercial world and technical work.

"It is a widely prevalent misconception that these men who have roughed it in the open will never go back to inside work," declared T. B. Kidner, vocational secretary of the invalided soldiers' commission of Canada, who is in this country assisting the United States vocational board prepare for the permanently injured soldiers. "Most of them have had enough of the soil to last them the rest of their lives."

Kidner said crippled soldiers should be made to feel themselves capable of earning their own way. "The problem is not that of limbed and blinded men," he said. Of the 28,000 soldiers sent back to Canada, he added, but 1,400 had undergone major amputations, and only sixty were blind. Canada is offering training in 30 occupations for such veterans, and America will give more than that, the speaker said.

**The APOLLOPHONE**—A Player Piano and Phonograph  
All in One

Within a single case the Apollophone combines a superb phonograph with the famous Apollo Player.

The Phonograph gives you access to the playing and singing of all the great artists, for the Apollophone plays all disc records.

The Apollophone can be used as one would any piano—or one can use the player separately or in combination with the phonograph. Consider the possibilities of this wonderful instrument; you can accompany on the player any vocal or instrumental selection rendered by the phonograph and the result will be the same as though the artist were with you in person and playing with you.

The APOLLOPHONE—combining Player Piano and  
Phonograph—is very reasonably priced—\$750

See the APOLLOPHONE on display in our south window.
